Jimmy "Catfish" Hunter Becomes 9th Perfect Pitcher So Far

American League's 1st Perfect Game Since '22

Jimmy "Catfish" Hunter, continues to keep Perquimans in the limelight. Hunter hurled the American League's first perfect game in regular season play since 1922 last Wednesday night and to top his record off he drove in three runs as the Oakland Athletics skunked Minnesota 4-0.

Hunter, son of Mr. and Mrs. A. S. Hunter, and a star athlete during his high school career at Perquimans High School, in his fourth major league season, set down all 27 batters he faced in the stymying the normally hard-hitting Twins to win his victory of being the ninth perfect game pitcher in modern baseball history.

Perquimans famous pitcher struck out 11 and needed just one out-standing defensive play—third baseman Sal Bando's stab of a fifth inning grounder by Bob Allison — in pitching the second no hitter of the season. Jimmy Hunter's perfect game matched a last season accom-

plishment by Sandy Koufax, the Los Angeles Dodgers' brilliant southpaw, three years ago against the Chicago Cubs.

The last American Leaguer to pitch a perfect game was New York right-hander Don Larsen, who did it in the 1956 World Series against the Brooklyn Dodgers. However, it had been 46 years since Charlie Robertson of the Chicago White Sox pitched a perfect game against the Detroit Tigers in a regular season game.

In the eight inning of last Wednesday's game Hunter's two-run single capped a three-run wrap up for the Athletics.

Hunter, signed with the Athletics in 1964 for a \$75,000 bonus, Wednesday night's game a lifetime record of 32-38, including a 2-2 mark this season. Hunter is 22 year's old, and no doubt with the record he has already achieved, and his love for his profession, Perquimans will be kept in the limelight by this fine athlete.

'Catfish' Makes Baseball History

Firearms Statutes Remains In Force

Federal Firearms Statutes remain in full force. The recent decision by the U. S. Supreme Court has been misinterpreted by some firearms dealers and others, as relieving them of the requirements of the National Firearms Act.

In the Haynes Case, the court held that the constitutional privilege against self-incrimination could be invoked against criminal charges for failing to register a firearm or possessing in unregistered firearm. The Supreme Court, in its decision, did not hold the National Firearms Act or any of its provisions to be unconstitutional. Any weapon covered by the National Firearms Act which is not properly registered is contraband and subject to seizure. A person who possesses a gangster-type weapon, such as a machine gun, sawed-off shotgun or rifle, is subject to criminal penalties if the firearm was, at any time, illegally made or transferred.

The record keeping and reporting obligations imposed on firearms dealers, manufactur-

ers and importers, by the National Firearms Act, have in no way been altered by the Haynes Decision.

The Federal Firearms Act, a separate statute which regulates the interstate transportation of weapons, was not involved in the Haynes case and is not affected by the decision.

Jack Williams To Attend Fla. Convention

Jack Williams, photographer-writer of Elizabeth City, will attend the annual convention and news conference of the Aviation-Space Writers Association at Cocoa Beach, Fla., May 19-24. Editors, Writers, Illustrators and public relations men of the aviation industry will be briefed on the most modern developments in aviation safety, commercial aviation, space communications and pilot combat reports of the F-111A and A-7 aircraft, newly introduced in Vietnam.

Williams, who has been invited to write for the new Professional Pilot magazine and Data Publications, as a sideline to his photographic studio, will see demonstrations of the F-111A, the Fulton Retrieval System (aerial pick-up of a man from the ground), precision jump of the Army "Golden Knights", the nuclear sub "Thomas Edison" and tour the NASA Kennedy Space Center.

Astronauts Walter Shira, Capt., USN, and Don Eisele, Major, USAF, and NASA Director of Flight Operations, Chris Craft, will report on the First Manned Apollo, "A Stepping Stone to the Moon."

Writer Williams recently prepared reports of racing, aerobic and fighter planes of the Golden Age of Aviation (the '20's and '30's) for museum directors and will consult with antique aircraft collectors enroute.

Time To Submit Samples For Craftsman's Fair

Now is the time to submit samples of crafts to qualify for membership in the Albemarle Craftsman's Guild or for participation in the Albemarle Craftsman's Fair.

Application blanks for both may be secured from your County Home Economics Extension Agents or from the Area Home Economics Extension Agent.

A craftsman must submit 3 articles of one craft to the Standards Committee no later than Monday, May 20, 1968, by 5:00 p.m. Deliver or mail crafts to Miss Edna Bishop, Area Home Economics Extension Agent, Room 217, Joseph Hewes Hotel, Edenton, North Carolina 27932.

Please note: Guild membership is not a requirement for participation in the Albemarle Craftsman's Fair. However 3 samples of one craft must be submitted to the Standards Committee for both.

The Albemarle Craftsman's Fair will be held September 25-27, National Guard Armory, Elizabeth City, North Carolina.

Meet Set For Sat. At Piney Woods

Eastern Quarterly Meeting of Friends will be held Saturday May 18th at Piney Woods Friends Church, Belvidere, beginning at 10 o'clock.

The Young Peoples meeting will also be at this hour with Anna Lee Sprye, of High Point, N. C. in charge and will show slides.

The speaker at the 11 o'clock worship hour will be Seth Hinchow, Executive Secretary of N. C. Friends, Guilford College, N. C. The afternoon session will be from 1:30 to 3 p.m.

Sunday May 19th, Piney Woods and Up River Friends will hold a joint service at Piney Woods, Sabbath School will begin at 10 o'clock with Becky Winslow giving the devotion and Robert Louis Stevenson will give the lesson. Worship service at 11 o'clock with Rev. Winford Clifton, pastor of Up River Church, delivering the message.

The pastor, Rev. Elmer Thomas, invites you to attend these services.

Bobby Heath, ASCS Manager, Elsberry Lane, George Riddick (farmer), Elwood Nowell, Mgr. of Pooling Agreement, and F. A. McGoogan, Perquimans Conservationist, SC.

White's Mill Pond Group Ditch Completed

Pictured above is a site along the White's Mill Pond Group Ditch just completed in the Whiteson community, serving 50 farmers, covering a distance of five miles, and draining about 6,000 acres.

Elwood Nowell served as chairman of the project, with Elsberry Lane and Elmer Lassiter. Mr. Henry Winslow contracted the job last August and completed it the latter part of

April. Soil Conserve Service designed, staked and checked the construction.

The canal is 26-feet wide in the bottom in the lower end and varies up to 4-feet at the upper end. The local A.S.C.S office assisted in the amount of \$4,900 which is the largest amount spent for such a project in Perquimans County. The committee is planning to shape the roadway and seed to fescue grass this fall.

Joyce Copeland Named Marshal At A. C. C.

Marshals for Atlantic Christian College for the 1968-69 academic year have been announced by Dr. Lewis H. Swindell Jr., dean of the college.

Named as chief marshal was Elaine Barnes Bailey of Kenly, Junior Class marshals named were Thomas Albert of Wilson and Mildred Elizabeth Best of Dunn. Sophomore Class marshals named were John Piland Anders of Havelock and Linda Darnell Jones of Roanoke Rapids. Freshman Class marshals are William Richard Dixon of Wilson, Joyce Ann Copeland of Hertford, and Kathleen Ann Humphrey of Goldsboro.

College marshals serve at spring and summer commencements and at appropriate events during the academic year. The chief marshal is chosen as the Junior with the highest accumulated academic average. The remaining marshals are chosen and the man and woman with the highest accumulated academic averages from the Sophomore and Freshman classes and the man and woman with the highest accumulated averages next to the chief marshal in the Junior class.

Miss Copeland is daughter of Mr. and Mrs. Harold H. Copeland, Route 2, Box 69, Hertford.

Public Hearing For State Game Regulations

The North Carolina Wildlife Resources Commission has announced that public hearings related to proposed changes in state game regulations have been scheduled to begin May 14. The nine hearings, one in each of the state's wildlife districts, are intended to give Tarheel sportsmen a voice in setting the 1968-69 regulations for hunting in North Carolina.

The hearings for this district will be held on Friday, May 24 at the courthouse in Edenton. The hearing will start at 7:30 p.m.

Among the proposals to be discussed during the upcoming public hearings are recommendations to reduce hunting pressure on the state's diminishing bear and turkey populations and to open the statewide goose season on the opening day of duck season.

A number of other recommendations, including a fee change for management area permits, will be brought before the public at these hearings.

A commission spokesman pointed out this week, "These hearings are designed to give the sportsmen of North Carolina another channel through which to make their wishes known."

J.F. Hollowell, Jr. Heads Cerebral Palsy Fund Dr.

The Fund Drive for United Cerebral Palsy is being conducted in Perquimans County this week. Joel F. Hollowell Jr., Honorary Chairman, (left) and Walter Humphlet, Honorary Vice Chairman, (right) are pictured with Marie Small Hamilton Coordinator, of Edenton, who is displaying a 1968 United Cerebral Palsy Poster, with the slogan, "Happiness is Helping."

Other volunteers include Mrs. Willis Proctor, Treasurer, and Mrs. M. B. Taylor, Home Economics Extension Agent, who will assist with the Fund Drive through the Homemakers Clubs in the county.

United Cerebral Palsy of N. C., Inc., under the direction of its Medical Professional Advisory Board currently has underway the following services

and programs in North Carolina: Home Service Program; Society of Dentistry for Children, N. C.; Support Research and Education Programs and Establish Development Centers in Area.

There are more than 300,000 children stricken at birth by this crippling condition. Some can't talk, some can't walk or use their hands to feed or dress themselves. However there is help for all of them, and it is up to all of us to give it.

These children need you. If you have a member of your family who is a victim of Cerebral Palsy, let the volunteer know about it when she calls on you and receive help for the condition. Give generously to this worthy cause. You will find that "Happiness is Helping." Give to United Cerebral Palsy.

Harold Winslow Ends Auctioneering Training

Harold Winslow, of Route 2, Hertford, pictured second from left, has just arrived home from High Point, where he has graduated from Mendenhall School of Auctioneering. This school teaches every phase of auction work and was established by the Mendenhall Brothers, (Col. Robert and Col. Forrest) known as America's greatest auctioneers. Many of America's foremost auctioneers are employed at the school, who explain to the student just how to become a successful auctioneer.

Bona fide sales were conducted so that the students had actual experience under the guidance of these instructors. They are really seasoned auctioneers when they receive their diplomas.

Winslow's many friends will

Clarence Watson Gets Promotion

Clarence W. Watson, Jr. has been promoted to Electronic Development Specialist by General Electric in Philadelphia.

Watson joined General Electric's missile and space division (Electronic Department) in 1961. He recently received an achievement award for his development of an electronic simulator used in the entry space vehicle.

Watson resides in Philadelphia with his wife, the former Constance, and one of his children.

Perquimans ECU Students Get Honors

Nearly one in six East Carolina University students last winter made high enough grades to earn places on the official honor lists of the university.

That 16 per cent of the students — a total of 1,461 — got official commendation from the university as three honors lists were announced today. The honorees include 1,191 North Carolinians and 270 students from out of state. The latter represents 21 states, the District of Columbia and Germany.

Perquimans County had seven on this Honor List.

Most elite among the honor students are the 140 who made all A's, highest grade at the university. Next are the 322 who made the Dean's List by earning a solid B-plus average with no grade below C.

The third list — the Honor Roll — includes 999 students who made a B average with no grade below C.

The names listed from Perquimans County are Perrymonds (Deans List), Percy Winslow, Wayne Winslow, Reginald Baker, James Elliott, Paul Ward and Richard V. Roach all made honor roll.

San Diego Football Team Drafts Combs

All-America Fred Combs, captain of the Wolfpack football team as an outfielder, was drafted by San Diego of the American Football League but will stay in the state to play for the Wolfpack.

Combs is the son of Mrs. Alice S. Combs of

A TIME FOR INITIATIVE

Soil Stewardship Week
May 19-26, 1968

Soil Stewardship Week, a nationwide observance which places emphasis on man's obligation to God as stewards of the soil, water and other related resources, will be celebrated locally May 19-26, according to L. C. Bunch, Chairman, Albemarle Soil and Water Conservation District. Floyd Matthews is serving as chairman of the Perquimans County Stewardship Committee, with George G. Winslow and Willard M. Copeland assisting.

This year's observance, with the theme, "A Time For Initiative", underscores the responsibility which each citizen has in meeting the responsibilities of soil stewardship. The Albemarle Soil and Water Conservation District and some 3,000 companion Districts throughout the nation, Puerto Rico, and the Virgin Islands, through their State and National Associations, are sponsoring this event for the 14th consecutive year.

Mr. Matthews and his committee have distributed to churches of all faiths, bulletin inserts, posters, and booklets created particularly for this year's observance.

The materials were prepared by the National Association of Soil and Water Conservation Districts, in cooperation with a Soil Stewardship Advisory Committee composed of leading churchmen in the nation. The committee consists of the Rev. E. W. Meuller, Lutheran Council in the U. S. A.; the Rt. Rev. John George Weber, National Catholic Rural Life Conference; the Rev. Harold Huff, Board of Missions, Methodist Church; the Rev. Henry A. McCanna, National Council of the Churches of Christ in the U. S. A.; and the Rev. Lewis Newman, Southern Baptist Convention.

Though the 1968 theme and in the attractively illustrated booklet, emphasis is placed upon the provocative challenges of proper use as God-given natural resources.

For example, the booklet points out:

"It is in the way we live our lives, rather than in what we say, that we demonstrate our allegiance to God. How well we fulfill our responsibility to God will be measured, in the final analysis, by the dimensions, the adequacy, and the initiative of our service to God, his people, and his earth."

For peanuts, if you are interested in over-spraying Vernam and Balan, there are two different chemicals that you can use. One is Enide plus Dinitro and on this material, be sure and not use over 30 gallons of water to the acre on a broadcast and over 30 lbs. of pressure. The rate is a gallon of the mixture to the acre on a broadcast basis. The other material is Dinap which is sprayed at the rate of 1-1/2 gallons to the acre on a broadcast treatment used in 20 to 30 gallons of water. Some people may be interested in just plain Dinitro sprayed at the rate

H. W. Burden Is Awarded Grant

Hubert White Burden, Instructor in the Biology Department at East Carolina University has been awarded a National Institute of Health Training Grant to continue his education. The grant covers tuition, a stipend, dependent allowances, research funds, travels to scientific meetings, and scientific books. This summer Burden will begin work on his doctorate in Anatomy at the Tulane University School of Medicine, New Orleans, Louisiana.

Burden is a 1961 graduate of Perquimans High School, received his A. B. from Atlantic Christian College in 1965 and his M.A. degree from East Carolina University in 1967.

He is married to the former Ann Satterthwaite Cottle of Kingston, N. C. and has one daughter, Kimberly Anne, age 6. Burden is the son of Mrs. Ruh H. Burden of Winfall and Mr. J. M. Burden of Lewiston, N. C.

Thompson Gives Advice On Spraying

"There has been much discussion on spraying both peanuts and soybeans for grass and weeds", states R. M. Thompson, County Extension Chairman.

Before you begin to spray, in most cases you should decide what weeds or grass you are trying to kill. Then, after acquiring the materials, you should read the label very carefully so that you can expect the most benefit from proper application.

First, if you sprayed with atrazine on corn, and there is still grass, a shallow cultivation will help. This helps to make the chemical work.

For peanuts, if you are interested in over-spraying Vernam and Balan, there are two different chemicals that you can use. One is Enide plus Dinitro and on this material, be sure and not use over 30 gallons of water to the acre on a broadcast and over 30 lbs. of pressure. The rate is a gallon of the mixture to the acre on a broadcast basis. The other material is Dinap which is sprayed at the rate of 1-1/2 gallons to the acre on a broadcast treatment used in 20 to 30 gallons of water. Some people may be interested in just plain Dinitro sprayed at the rate

Safety Helmets For Motorbikes Are Mandatory

The balmy weather of spring not only brings out the flowers and the sun bathers—it also means an upswing in the number of motorcycles and motorbikes using the streets and highways.

The two-wheelers have been gaining in popularity in recent years especially among the young people, and the result has been an increase in the accidents, injuries and deaths resulting from highway collisions and wrecks involving these machines.

During 1967, 44 persons died as a result of injuries sustained in motorcycle and motorbike accidents. The accident total for last year was 1,252 with 1,073 personal, non-fatal injuries.

The 1967 General Assembly acting to make the two wheelers safer to operate, made it mandatory for operators and riders to wear an approved safety helmet.

For the first three months, January through March — 116 traffic accidents involving motorcycles and motorbikes have resulted in five fatalities and 95 injuries.

A list of approved helmets will be furnished on request by contacting the Driver Education Division, Department of Motor Vehicles, Raleigh, N. C.

"The requirement of safety helmets for all motorcycle and motorbike riders will result in fewer deaths and injuries," said Motor Vehicles Commissioner Ralph L. Howland.

"A recent survey by the department indicated that head injuries were the primary cause of death and serious injury in motorcycle and motorbike wrecks."

In Vietnam

Army Specialist Four Joseph L. Lightfoot, 20, son of Mr. and Mrs. Carson P. Lightfoot, Star Route, Winfall, N. C., was assigned as a heavy-equipment specialist in the 538th Transportation Company near Long Binh, Vietnam, April 30.

Meet Set For Sat. At Piney Woods

Eastern Quarterly Meeting of Friends will be held Saturday May 18th at Piney Woods Friends Church, Belvidere, beginning at 10 o'clock.

The Young Peoples meeting will also be at this hour with Anna Lee Sprye, of High Point, N. C. in charge and will show slides.

The speaker at the 11 o'clock worship hour will be Seth Hinchow, Executive Secretary of N. C. Friends, Guilford College, N. C. The afternoon session will be from 1:30 to 3 p.m.

Sunday May 19th, Piney Woods and Up River Friends will hold a joint service at Piney Woods, Sabbath School will begin at 10 o'clock with Becky Winslow giving the devotion and Robert Louis Stevenson will give the lesson. Worship service at 11 o'clock with Rev. Winford Clifton, pastor of Up River Church, delivering the message.

The pastor, Rev. Elmer Thomas, invites you to attend these services.
