**Harvey Jowlett,**

Tell us how you borrowed \$200 from Peoples Bank without going to the bank.

"Well, I read about how I could have extra cash anytime I needed it by signing up for Peoples Personal Credit. I already had a Peoples Personal Checking Account and a Peoples Master Charge Card, so the rest was

easy. Now if I write a check, and I don't have enough on deposit, I don't have to worry. That's because Peoples Personal Credit automatically covers the deficiency by transferring the needed funds to my account. I

pay only a small amount of interest from date of transfer to billing time and if I repay the loan within 25 days after receiving statement, it doesn't cost me anymore. Or, if I want, I can spread my payments out over several months through my regular Master Charge monthly billings.

That's how I wrote myself a loan for \$200.00. With Peoples Personal Credit, it's gotta be the greatest financial aid going since they first discovered gold."

Harvey, You deserve a lot of Credit.
