# Early Xmas Mailing Is **Urged By Postmaster**

"Don't take a chance on disappointing someone you love, send your gift parcels and cards early enough to insure their de-livery before Christmas, not after," Postmaster W. W. White advised today.

'On the day after Christmas a post office building can be the most depressing place in the world," White added, "if it still contains a mountain of messages of love and cheer that didn't make it because they were mailed too

Such disappointments can be evoided if Christmas mailers will observe the following mailing

Gift parcels going to distant states should be mailed by December 1. Parcels going to local and nearby areas should be mailed not later than December 13. The name and address of both

the sender and addressee should enclosed in each gift parcel to permit identity in case of damage or loss of the outside address label. The outside label should be placed on only one side of each parcel. Greeting cards going to distant

states should be mailed not later than December 10, Cards going to local and nearby areas should in the mail by December 15. Postmaster White also emphasized the importance of using ZIP Codes and adding a return dress to all Christmas mail. only takes a couple extra onds, but pays big dividends. ZIP Codes enable postal employes to sort and handle the mail faster. A return address insures that mail that can't be delivered because of an illegible or incom-plete mailing address will be re-

# Hertford BPW Club Has Program Meet

The Hertford BPW Club met Tuesday night, November 25th at the REA building with Mrs. Roxanna Jackson, president, presid-

ing.
Miss Hulda Wood, Chowan County public health nurse, gave a very interesting and informative program on the work of the District and County Health Departments. With the aid of a chart, Miss Wood explained each phase of the work such as the immunization program, examina-tion and diagnostic tests for venereal diseases, laboratory tests of blood, water, milk, etc., skin tests and chest X-rays to detect tuberculosis, home visits by the nurse to help care for patients in the home, clinics for expectant mothers and clinics for crippled children and other children with special problems - just to mention a fee of the services available to the public. A question and answer period was held at the end of Miss Wood's talk, and each one present came away convinced that the health department was a must to insure the best health care for the citizens of this county and area. In conclusion, Miss Wood stated that we could support our Health Department by contacting our legislators in Raleigh who provide money to the State Board of Health to assist each county in

their work. The meeting adjourned to meet again in December for a Christmas party at a time and place to be announced later.

# Goal: One Million

Mrs. Charlie Skinner, Sr. Membership Chairman for Unit 126 in Hertford said that one million members working for the welfare of veterans and their families, serving in their communities and striving for the peace and security of America is not just a dream - it is the goal of the American Legion Auxiliary

"Why do we need one million members in our organization?" she asked, "Because ours is a program not only of service but for keeping alive the ideals for which Americans have sacrificed so much in the past and are defending so bravely in Vietnam to-

day." "The American Legion Auxiliary is putting special emphasis on enrolling the wives of the Viettime veterans," Mrs. Skinner explained, "We are anxious to have these young women join us, not only because we think they would enjoy having the new friends they would make as a member of the Auxiliary but because in an organization like ours, there is always need for volunteer work-

"Our program of service to the hospital confined veterans," Mrs. Skinner continued, "is an interesting and certainly rewarding program. The men are so appreciative of the attentions they would not otherwise receive were it not for our volunteers. We know that so many V. A, patients are forgotten and neglected in the busy world's rushi Attention from the pretty young wives of Vietnam veterans on hospital rounds could do so much to lift their morale, There are so many other projects that the new members could give time to - projects that they would

find interesting and worthwhile."
"So," Mrs. Skinner concluded. "we are making a special appeal to any interested eligible woman to jointhe American Legion Auxiliary in Unity and Service for

### Dec. 15 Deadline For "Operation Santa Claus"

'Operation Santa Claus" is nearly over . December 15 is the deadline for this project which is sponsored each year by the North Carolina Mental Health Association (NCMHA). This project is NCMHA's annual effort to make sure that all the patients in our North Carolina State Mental Hospitals and Centers for the Retarded receive gifts at Christmas time.

According to the Directors of Volunteer Services at the Hos pitals and Centers, more gifts are still needed. Gifts of clothing for male and female adults and children, and especially in the very large adult sizes, are still urgently needed. So are personal and recreational items, as well as larger gifts for the wards.

Your gift - unwrapped, please - may be taken to the nearest Mental Health Association or Clinic, or to any of the publicized gift collection points in your community. Your participation in 'Operation Santa Claus" will mean a far brighter Christmas this year for the thousands of men, women, and children who are now occupying North Carolina's mental institutions.
