## TO WHOM IT MAY CONCERN — IMPORTANT —

In our meeting, held recently, relative to delinquent accounts for fuel oils and kerosene, we wish to pass on to you, our decisions.

We find it necessary for our credit protection to follow the same rules as we have in the past years.

We will exchange (each with the other) the names of the delinquent accounts, and we truly do not want to include yours. You know how you stand, so won't you please pay, or make proper arrangement for your old balance?

We have further agreed to make no further deliveries for cash or credit to those accounts in question until they are properly arranged for or paid.

Won't you please cooperate with us?
