The Typographical Error

The typographical error is a slippery thing and sly. You can hunt it 'til you're dizzy. But it somehow will get by. 'Til the plates are off the press. It shrinks down in a corner. And it never stirs or peeps. The typographical error; Too small for human eyes 'Til the ink is on the paper. When it grows to mountain size. The remainder of the issue. May be clean as clean can be. But the typographical error is the only thing you see!
