California Cuties To Appear At P.C.H.S.

Hold on to your hats -- ladies, that means your Sunday's best, if you please -- for the CALIFORNIA CUTIES are coming to town and they are always on the lookout for new invigorating head pieces to add to their wardrobes.

The CALIFORNIA CUTIES will play the Gary Stubbins All Stars basketball team Fri., April 2 at Perquimans High School with game time set for 8:00 p.m.

The CUTIES are a fun-loving bunch of wanderers performing on the basketball court for the 7th straight season. However, the original club was a men's softball squad that traveled the width and breadth of the country attired in ladies garments, facing topnotch men's clubs in all parts of the country. In fact, the softball replica made a trip to Japan as guests of the State Department several years ago and fans flocked to the parks to watch them in action.

On the basketball court, the Cuties feature their lanky center Dinah Sore. She stands 6 feet, 7 inches in her stocking feet and

rebounds everything in sight -- unless she turns the job over to her sidekick, Dumpy Dora and goes roaming.

Those who have witnessed the CUTIES in action in other parts of the country proclaim them as the greatest novelty basketball team of all time. In addition to their antics on the hardwoods while dressed in ladies garments.

And while the game is in progress, don't be surprised at anything as the CUTIE Cutups, Rebound Ruby and Little Susie, may call time out in the middle of a shot by a teammate (or an opponent, more logically) to stage another of their wild comedy routines.

Remember, the CALIFORNIA CUTIES will appear at Perquimans High School against the Coach Stubbins' All Stars team from Hertford and Elizabeth City with game time at 8:00 p.m. Price of tickets for this extravaganza is \$1.00 for adults, and 75¢ for children. These are advance ticket prices. At the door the night of the game the tickets will cost 25¢ more.

In his recent "State of the World" message to Congress, Nixon put the Soviet Union on notice that despite America's unhappy involvement in Southeast Asia, the United States was not relinquishing its role of world leadership.
