

### Federal Land Bank Manager Returns From Meeting

L. Gary Taylor, Elizabeth City Branch Manager, of the Federal Land Bank Association of Ahoskie, has just returned from Charlotte, N.C. where he attended an advanced management development institute, according to J. L. Rowe, manager of the association.

"The institute was conducted to keep Land Bank association personnel abreast of the latest developments and techniques in modern management," Rowe said.

The institute was conducted by The Federal Land Bank of Columbia, S.C. Instructors were R. A. Darr, president; Frank L. Barton, vice president and secretary; and W. M. Harding, vice president.

"The Federal Land Bank of Columbia makes long-term farm loans through farmer-owned Federal Land Bank associations serving every county in the two Carolinas, Georgia and Florida," Rowe said. "The Bank has loans outstanding to over 42,500 farmers, growers and ranchers in the amount of over \$712 million through the 46 Land Bank associations in the four-state district."

Some of the more important topics presented during the institute included Dealing With People, Salesmanship, Accumulation and Use of Credit Information, and Attitudes and Enthusiasm.

The Federal Land Bank Association of Ahoskie serves the long-term credit needs of farmers, growers and ranchers in Bertie, Camden, Chowan, Currituck, Gates, Hertford, Northampton, Pasquotank and Perquimans counties with more than \$9.5 million in long-term credit.

### Perquimans County Had 2 Cases Of TB In 1970-71

With only fourteen days remaining in the campaign, the twenty-two county eastern tuberculosis and respiratory disease association announces that it is \$1,300 below the 1970 goal. The association conducts a year round educational program for the benefit of many groups, such as: School children, physicians, nurses, and the general public on the health hazards of respiratory diseases.

In patient services the association promotes detection programs to discover tuberculosis, emphysema and other respiratory diseases. Research grants from the association have contributed to the medical advances in the treatment of tuberculosis patients. Tuberculosis ranks third in communicable diseases in North Carolina. In 1970 North Carolina experienced an increase in reported cases of tuberculosis. 1,258 cases were reported in 1970. In Perquimans County 2 cases were reported in 1970. Zero cases have been reported since January 1, 1971. The need is great and the association request those people who have not mailed their 1970 Christmas Seal contribution to do so today. The address is:

Eastern Tuberculosis and Respiratory Disease Association; P.O. Box 1407, Greenville, North Carolina 27834

### SLOT MACHINES GO

The U. S. Air Force is phasing out slot machines at its overseas bases and will banish them entirely after July 1, 1972, a senate inquiry into military corruption announced recently. The AF decision is the latest of a series of actions taken by the military against gambling devices.

#### Spring Math Conference Planned

A spring conference for some 250 teachers and others interested in mathematic education is scheduled for Saturday, March 27, at East Carolina University in Greenville. Teachers of mathematics at all levels -- kindergarten through college -- and from public, private, and parochial schools are expected to attend. The conference is sponsored by the Eastern Council of the North Carolina Council of Teachers of Mathematics, which includes Perquimans teachers.

Program for the meeting, according to Director of Mathematics for the State Education Agency Bob Jones, will include seven workshops, four lectures, and three panel discussions. Each workshop will offer the teacher many materials and techniques he may use with students in order to make mathematics more meaningful and exciting, said Jones.

Mrs. Isabelle Rucker, Mathematics Supervisor for the State Department of Education in Richmond, Virginia, will be the luncheon speaker.

In addition to these activities, walk-through tours of the Mathematics Education Laboratory, the Computing Center and the Learning Laboratory at the University will be conducted. The conference is slated to begin with registration at 9:30 a.m. in the Austin Building and will conclude at 4:30 p.m.

The PCHS Beta Club is planning for twenty-four of its chartered members to attend the State Beta Club Convention in Asheville, N.C., April 16-17. They will be guests at Hornes Motor Lodge, Linda Evans, recently elected District Secretary, will be a candidate for State Beta Secretary. She is an active student of PCHS.

The long awaited baseball season has finally begun. Nineteen boys were selected by Coach Pete Hunter to make up the Pirate team. The team includes: Henry Jackson-Pitcher, Tony Winslow-Pitcher, Lee Godfrey-Pitcher, Edgar Roberson-Pitcher, C. J. Stallings-Catcher, Henry Perry-Catcher, Eugene Landing-Catcher, Stanley Winslow-First base, Ben Berry-First Base, Sherwood Blanchard-Second base, Brad Fields-Shortstop, Kenny Stallings-Shortstop, Eddie Winslow-Third base, Don Keaton-Left Field, Jeff Hasket-Right Field, Henry Whidbee-Left field, Kenneth Ray Winslow-Center Field, Melvin Lilly-Center Field, and Stanley Ward-Right field.

The pirates traveled to Elizabeth City, Friday 12, where they met and defeated the

Northeastern Eagles, in a practice game, 10-8. Again on Tuesday, March 16, Perquimans knocked off the Eagles with a score of 9-2.

Even though these two games were only practice, it looks as though the Pirates have a lot in store. This years track team looks

very promising according to Coaches J. S. Midgette and Gary Stubbins. The team has been working hard to get in shape for the season ahead.
