

Jo Ann Foreman Mental Retardation Coordinator For Six Counties

The appointment of Mrs. Jo Ann P. Foreman as Mental Retardation Coordinator for Dare, Currituck, Camden, Pasquotank, Perquimans, and Chowan counties was announced today by Robert L. Denny, Executive Director of the North Carolina Council on Mental Retardation. Mrs. Foreman succeeds Mrs. Elizabeth G. Hall who resigned recently.

Mrs. Foreman has been active in many community projects, including the College of the Albemarle Building Drive, the Woman's Auxiliary of the Albemarle Hospital, the Albemarle Players, and the Industrial Development Team for the Chamber of Commerce in Elizabeth City. She has served as a Boy Scout Den Mother, chairman of the American Cancer Society Crusade Drive and is a member of the Elizabeth City Junior Woman's Club.

Mrs. Foreman is a graduate of St. Mary's Junior College, Raleigh, and Old Dominion University, Norfolk, Va., where she was a member of the History Honor Society.

Mrs. Foreman is the wife of J. Rodney Foreman. Mr. and Mrs. Foreman and their three children live at 1200 Riverside Avenue, Elizabeth City.

As coordinator of mental retardation services, she will work closely with community and civic groups as well as individuals in promoting programs and services for the retarded.

Wynn Fork 4-H Meet

The Wynn-Fork 4-H meeting was held at the Hertford Grammar School on April 19th, 1971. Miss Sherri Taylor, Associate Home Agent, gave a demonstration for the girls on How to make a Tie. Mr. Richard Bryant, County Extension Chairman, gave a demonstration for the boys on How to Take Soil Samples. Rita Byrum had the devotional. The meeting was adjourned by Susan Rogerson. Refreshment were served.

Card Of Thanks

We sincerely thank the pastors, the church members and all civic organizations for their prayers, cards, flowers and every kindness shown during the long illness and passing of our mother.

May the Lord Bless each of you.

Sincerely,
Blanche M. Berry
Helen Morgan

Engagement Announced

Mr. and Mrs. McMullen White of Belvidere announce the engagement of their daughter, Carole Elliott, to Timothy Glenn Baker, son of Mr. and Mrs. Willard F. Baker of Hertford.

The bride-elect, a 1968 graduate of Perquimans County High School, is a 1970 graduate of the College of the Albemarle where she received an Associate in Applied Science Degree in secretarial science. Miss White is presently employed by the North Carolina Forest Service in Elizabeth City, North Carolina.

Mr. Baker, also a 1968 graduate of Perquimans County High School, graduated in 1970 from the College of the Albemarle. He is continuing his education at East Carolina University majoring in marine biochemistry. The wedding is planned for Sunday, June 20, 1971.

Hertford BPW Club Meets With Mrs. Jean Umphlett

The Hertford BPW Club met Thursday Night April 15, with Mrs. Jean Umphlett at her home in Womfall. Mrs. Umphlett, president, presided over the meeting.

Preceding the program, a business session was held and items of business were dispensed with. It was pointed out that only a very few of the senior Health Careers Club members apply for the \$100.00 BPW scholarship. Elsewhere in this paper the rules and regulations are being printed for candidates to follow in applying for this scholarship. Hopefully, more seniors will apply this year.

The program on "Self Defense for Women" was given by Mrs. Roxanna Jackson. She gave timely tips and advice of how a woman might protect herself by

using objects which she might be carrying around in her pocketbook. Other helpful information on things a woman might do in case of an attack were included in the talk.

A social hour and delicious refreshments were enjoyed at the conclusion of the meeting.

Baron's 4-H Meet

Green beans have been an American favorite for a long, long time. The Indians cultivated beans of all kinds. They honored the bean as a giver of life. They planted beans with corn so that the tall stalks would support the tender plants. The Indians had a special way of cooking beans with bear fat. The resulting dish, one Pilgrim wrote, was "incomparably delicious".

The Baron's 4-H Food and Nutrition club of Highway-37 on Tuesday April 13, at their meeting, tried a modern version using bacon, onion, and vinegar, which was served with hot sticky buns. They called it Squanto's Beans.

Everyone agreed that it was a delicious meal. There were 10 members present and one visitor, Patricia Flowers from Brooklyn, N. Y. Patricia promised to prepare hot sticky buns for her mother, when she returns home.

If you would like the recipe, see any member of The Baron's 4-H Food and Nutrition club of Highway 37 and you may obtain it.

The club plans to prepare a breakfast, "Paul Bunyan" style at their next meeting, using eggs, bacon, and cocoa, with toast.

Pres. Gail White

New Hope Club Meet

New Hope 4-H Club held their monthly meeting April 12, 1971. The president led us in the pledges and Mrs. William Ownley gave the devotion. The secretary read the minutes and called the roll. Under old business we discussed feeding the Ruritans on June 16, 1971 and decided to do this. It was announced that the Health Pageant and Dress Revue will be held soon. Frankie Godfrey gave the demonstration on filling out checks, which was very good. Duties were outlined by the President. Linda Lou Ownley showed the group how to make flowers out of burlap. The meeting was adjourned.

Equal Opportunity For Gifted Children Provided

Equal educational opportunity is a basic American belief. But is it fact? Recent rulings of the State Board of Education regarding programs for the gifted or academically talented child will bring this belief closer to fact in North Carolina.

At present there are 50 school systems out of the State's 152 with no program for gifted students. In February the State Board ruled that State-paid teachers of the gifted would be allotted to school systems on a

non-categorical basis -- thrown in with the rest of the teacher allotments for exceptional children, which includes the handicapped as well as the gifted. School systems, in effect, will be able to hire these teachers and use them as they see fit.

To further equalize such programs, the State Board in March rules on the criteria used in selecting children for them. In the past a child was required to have an I. Q. of 120 or above, A and B grades, and various

recommendations to enter such a program. Disadvantaged children and black children in particular might have been discriminated against by testing established on a middle class basis. In addition, children with average intelligence but with an exceptional talent in one area -- science, for example -- were excluded.

The new ruling on criteria puts an "and/or" into the guidelines so that children who might profit from such a program but who do not meet the criteria may be included.

Educators from across the State will be discussing these rulings and the implications for their school systems at a series of regional meetings being sponsored by the State Education Agency this month and next.

The meetings begin April 14 in Waynesville and conclude May 19 in New Bern. Superintendents, Directors of Instruction, and Directors of Gifted Programs from Perquimans County have been invited to attend May 18, Edenton.

Edd McBride, Coordinator of Program for the Gifted with the State Education Agency, is in charge.

Hertford BPW Scholarship

Rules and Regulations for Awarding the \$100.00 Health Careers Scholarship

Open to senior members of the Health Careers Club of Perquimans County High School to be applied to study for any Health Career. Applicants must be in the upper third of the class (scholastically).

Letter of application must be written in longhand by the applicant. This should include choice of career and reasons for making choice.

The school or college of the applicant's choice must have acceptable accreditation.

Need of applicant to be given consideration.

Applicant must furnish four

letters of reference, including one from the principal.

Applicant must present a transcript of his high school grades through the first semester of his senior year.

The \$100.00 scholarship is to be paid to the school or college that the recipient plans to enter at the beginning of the first semester.

All applications must be sent to the Chairman of the Scholarship Committee, Miss Thelma Elliott, not later than May 15th.

College entrance rating to be included (if available).

Award will be made at graduation.

List on a separate sheet of paper your school, community and church activities.

Vernam

Selective Herbicide

lets your peanuts grow free

Your peanuts grow free from many grasses and weeds. Free from their competition for fertilizer, soil moisture and root growing room. Free from the growth stress weeds cause... free from cultivation that often damages fruiting limbs and increases chances of Southern stem rot, or white mold.

Use dependable, economical Vernam at planting time this season to get your crop off to a good start. Vernam is the No. 1 peanut herbicide. It stops the toughest grasses and weeds, including nutgrass, crabgrass, Johnsongrass seedlings, pigweed, annual morningglory, coffee-weed, lambsquarters and many others that complicate production and reduce yields. Liquid Vernam is easy to handle and use... stops weeds all season without leaving harmful residues in the soil. Free yourself from work and worry... see us now for your supply of Vernam.
