Dove Seasons Open Sept. 4th, Limits Set

The homes of many of North Carolina's hunters have taken on some rather strange aromas in recent days.

In the evenings, the master of the house - unless the wife wears the pants - has secreted himself in his den, and the faint smell of bananas, old cheese and moldy clothes is being wafted under the door jamb. Lumps of dry dirt have appeared on the rug and stray feathers can be found on the sofa. Over all this hangs the smell of damp dogs.

There is, however, a simple explanation. The dove hunting season is drawing nigh.

Unless you are a hunter, you will not understand that the scent of slightly ripe bananas is really the smell of Hoppes No. 9, a gun solvent commonly used to clean fowling pieces. The moldy smell obviously comes from the hunting clothes that have been packed up for the summer, and the scent of deceased cheese is explained by the fact that an ancient piece of this stuff was finally located in one of the pockets.

The lumps of dry dirt have fallen from the soles of boots, and the feathers have drifted out of various game pockets.

The business about the damp dogs is explained by the fact that the master of the house is being followed from room to room by his canine companions—which have also caught the fever of the season.

All of this will erupt into the fields of North Carolina on

Southern Shores To Have Recreation Activity

Stop and give your family a break and participate in the Perquimans County Recreation Day Activities which will convene Saturday, August 21, 1971 at the Southern Shores Beach, Route 1, Hertford, North Carolina. The activities will begin at 12:30 p.m. and terminate at 5:30 p.m.

Each participant is responsible for their transportation and picnic lunch.

The activities will include swimming, boat riding, tract, soft ball games, potato race, and dog ball. There will be special activities planned for the smaller boys and girls to participate in. Parents are asked to assist in supervising their boys and girls during all activities. The picnic lunch will begin at 12:30 noon.

The 4-H Leaders are asked to use ribbons or some type of identification tag for their 4-H members to wear during the day.

September 4 when the dove season opens.

This year's dove season - set by the U.S. Fish and Wildlife Service - will again be split into two parts. The first half of the season will open at 12 o'clock noon on September 4 and close on October 9. The second half of the season will open December 13 and end on January 15. Shooting hours are from noon until sunset each day during the legal season.

The bag limit for doves has been reduced this year following two years of experimenting with a higher limit. This year's limit offers a daily bag of 12 doves with 24 in possession. Last year, the daily bag was 18 and the possession limit was 36.

U.S. Fish and Wildlife has also set limits and seasons on woodcock, Wilson's snipe, and four species of rails.

The woodcock season will open December 11 and close February 12 with a daily bag of five birds permitted and possession limit of 10. The season on Wilson's snipe opens November 20 and closes on January 22 with a daily bag of 8 and a possession limit of 16.

The season on king and clapper rails will open September 1 and close November 9 with a daily bag limit of 15 and a possession limit of 30, while the season on sora and Virginia rails is the same - from September 1 through November 9 - and the daily bag and possession limits for sora and Virginia rails is 25.

Waterfowl seasons - ducks and geese - have not yet been set, but should be announced soon.

Incidentally, the N.C. Wildlife Resources Commission's 1971-72 Hunting and Trapping Regulations have now been published, and you can pick up a copy when you buy your license.

For those who have not yet checked, the squirrel season this year opens October 11 and lasts through January 31. There are two local exceptions on squirrels in part of Dare County and Pender County. Check your regulations if you hunt in these areas.

The rabbit season opens November 20 and lasts through February 12 this year, while the quail season will open November 20 and last through February 29.

Meets Monday Night

The Perquimans County Unit of the American Cancer Society will meet Monday night at 8 p.m. at the REA Building. The public is invited to attend.

Land Bank Reaches All-Time High In Service

The Federal Land Bank Association of Ahoskie set a new record in service to farmers and agriculture, according to L. Gary Taylor, Manager of the Elizabeth City Branch office.

In setting the all-time high record in credit service to farmers during the fiscal year ending June 30, 1971, the Ahoskie Association extended credit in the amount of \$1,834,739.16 and had 818 loans to farmers, growers, and ranchers in the amount of \$10,793,691.40.

"Reduction in the cost of money from the sale of bonds to the investing public, the source of loan funds for the Land Bank system, and operating efficiencies enabled the Bank to reduce the interest rate on all variable rate loans three times during the year," explained Mr. Taylor.

The association is one of 46 farmer-owned Land Bank Associations which make and service Land Bank loans for The Federal Land Bank of Columbia in North Carolina, South Carolina, Georgia, and Florida - the four states served by the Bank.

R.A. Darr, President of the Columbia Bank, reported that the Bank now has nearly 48,000 loans to farmers, growers, and ranchers in the four state district in the amount of more than \$752 million. Darr also pointed out that Bank's gross loans through the 46 associations during the fiscal year ending June 30, amounted to more than \$162 million.

The Ahoskie Association serves farmers in Chowan, Perquimans, Pasquotank, Camden and Currituck counties from the branch office located in Elizabeth City and an out-post office located in Edenton, N.C. The head office located in Ahoskie, N.C., serves the farmers in Northampton, Hertford, Gates and Bertie Counties.

Officers and directors of the association include J.G. Pollock of Gatesville, President; H.O. Edwards of Ahoskie, Vice President; Cecil J. Maddrey of Severn, Director; T.B.H. Wood of Edenton, Director; and Frank W. Hollowell of Elizabeth City, Director.

To Hold Revival

Revival services will begin at the Cedar Grove United Methodist Church, Sunday night August 22nd, at 8 p.m. Services will continue each evening at 8 p.m. through Friday night August 27th.

The Reverend Ecwood C. Lancaster of Norman, N.C. will be the guest evangelist. Rev. Lancaster is the pastor of Concord, Jones Springs and Norman United Methodist Churches.

There will be special singing each night by visiting choirs and various vocal groups.

Morton has been visiting with citizens in each of the state's 100 counties in sampling his possible support he decide to run for Governor in 1972.

Elliott Resigns As ABC Board Chairman

William T. (Bill) Elliott, chairman of the Hertford ABC board for the past seven years, resigned at the August meeting of the Hertford Town Commissioners.

Elliott was first appointed to the board in 1962. He resigned because "I felt I had served long enough, and for age and health reasons."

Following Elliott's resignation the town board appointed Cecil Edward Winslow to the ABC board for his second three year term.

Winslow by unanimous vote by the commissioners was then appointed chairman of the ABC board. Another person still must be appointed to the three-man board to fill Winslow's vacated seat on the board. The Board plans to appoint someone to fill the remainder of Winslow's term at their September board meeting.

V. N. Darden is the other member of the Hertford ABC Board.

The resignation of W. T. (Bill) Elliott was accepted by the

Board with sincere regrets, as he has faithfully served on the Board since he was appointed in July 1962 and has served as Chairman of the ABC Board since May 1964.

Mayor W. D. (Bill) Cox gave the report on ABC Store sales for July 1971. Sales were \$25,253.15, showing an increase of \$1,856.34 over sales for July 1970.

The Board asked for bids on asphalt for paving some streets and to date only one bid has been received, from Albemarle Asphalt and Paving Company of Belcross, N. C.

W. T. Miller's high bid of \$152,000 for the 1961 Dodge pickup truck the Town had for sale, was accepted.

The Clerk was authorized to place a notice in the Perquimans Weekly concerning dogs running at large at night.

SMV Emblem Required By Farmers

Farmers will soon be required to display a slow-moving vehicle (SMV) emblem on certain vehicles operated by their employees on public roads, according to Albert Eure, president of the Perquimans County Farm Bureau.

Eure reported that, pursuant to authority granted by the 1970 session of Congress, the Occupational Safety and Health Administration of the U.S. Department of Labor has issued regulations, effective August 27, which require the use of the SMV emblem.

It must be displayed, he reported, not only on self-propelled vehicles but on any farm implement on the highway, whether pulled by a tractor, or truck, or automobile or horse, if designed to travel less than 25 m.p.h. and operated by employees of a farmer.

The term "employee," Eure explained, does not include members of the family of the farmer-employer.

Punt, Pass And Kick Time Is Here Again

Punt, Pass, and Kick time is here again for boys aged eight through 13.

In North Carolina, registrations for the 1971 Punt, Pass and Kick (PP&K) competition will be accepted from August 16 to September 30 at participating Ford dealerships.

More than 1,100,000 boys are expected to register for PP&K this year. This marks the 11th year of the program in which more than 7,000,000 boys have participated.

PP&K is co-sponsored by the National Football League and the Ford dealers across the country.

Participants punt, pass and kick against boys their own age. Any boy aged eight to 13 is eligible to register. He must be accompanied by one of his parents or his legal guardian. There is no entry fee.

There is no body contact during PP&K competition and no special equipment is needed. Participation doesn't impair a boy's amateur standing.

Scoring is based on distance and accuracy. A boy receives one point for every foot of punting, passing and kicking distance, one point is subtracted for every foot off a center line.

Twelve national finalists, two in each of the six age groups, will compete for the championship during halftime of the NFC-AFC Super Bowl game in New Orleans, January 16. Winners will have their names permanently enshrined in the Pro Football Hall of Fame in Canton, Ohio. Their trophies will be presented by NFL Commissioner Pete Rozelle.

Sgt. Geo. E. White Assigned To Division In Vietnam

Army Sergeant George E. White II, 24, whose parents live at 315 Stokes Drive, Hertford, N.C., recently was assigned to the 23rd Infantry Division in Vietnam.

He is a wire chief in headquarters battery, 3RD battalion of the division's 16th artillery near Da Nang.

COA Summer Graduation Set

College of The Albemarle summer commencement exercises will be held Friday, August 20, at 8:00 p.m. in the COA gymnasium.

A total of 68 students are scheduled to be graduated. Of this total, 26 people will graduate as Licensed Practical Nurses. The remaining graduates are in the following programs: Associate in Arts; Associate in Applied Science; Automotive Mechanic; Machinist Trade; Advanced Machinist Trade; Cosmetology; and Radio & T.V. Servicing.

Contradicting what appears to be a tight job market, a college spokesman says that all of these graduates have expectations of a job and in several cases even two or three offers.

The commencement speaker will be State Senator Hargrove "Skipper" Bowles. Mr. Bowles is widely known in North Carolina for his record of service in government, business, and education. He serves on the board of trustees at several colleges in the state and also devotes time to a variety of public service activities such as the Boy Scouts, Boys Clubs of America, Heart Association and the North Carolina School for the Deaf.

Delegates Leave For Conference

Mrs. J.T. Lane, Jr., and Mrs. Harry Smith both of Hertford, N.C., will be attending the 9th Annual Conference of the United Ostomy Association in Hollywood, Florida on August 25th thru 29th, 1971. They will be representing Northeastern North Carolina Ostomy Club, an affiliate chapter of the United Ostomy Association, a non-profit health service organization. The conference is held in a different city each year and is attended by delegates and members from the United States, Canada, and many foreign countries. Mrs. Richard M. Nixon is the Honorary Chairman for the 1971 Conference.

Board Of Directors To Meet

The Board of Directors of the Perquimans County Chamber of Commerce will hold its monthly meeting Monday night at 8 p.m. in the Municipal Building.

Chamber officers are looking for greater attendance than there has been during a number of meetings this year.

This has been an active year and the short monthly meetings are designed to bring board members up to date concerning Chamber activities as well as future plans.

The meeting also serves as a platform to exchange ideas on what can be done to aid and publicize Perquimans County, which is the Chamber's main function.

So please make it a point, if you are on the Board of Directors, or if you would just like to attend one of these open meetings, to be at the Municipal Building Monday at 8 p.m.

Completes Training

Navy Seaman William T. Parker, son of Mrs. and Mrs. William A. Parker of Route 3, Hertford, N.C., was graduated from recruit training at the Naval Training Center, Orlando, Fla.

He is a 1971 graduate of Old Dominion University, Norfolk, Va.

Winslow Named On Executive Committee Of N.C. Soybean Association

F. C. Laughinghouse, President of the North Carolina Soybean Producers Association, announced today that Stancel L. Dilda of Route 1, Fountain has been hired as Executive Vice President to replace Jim S. Gardner who resigned as of June 1st to become President of

Rotary Governor Addresses Hertford Club

J. Frank Jarman of Durham, Governor of Rotary International's District 771 (the approximate area included between Manteo and the N.C. Va. line westward to just beyond Burlington), addressed the Hertford Rotary Club during his official visit August 10th. The Hertford Club is one of 45 clubs in this District and the 11th oldest having been chartered in 1925.

Speaking of the global growth of Rotary, an international men's service organization, the district governor said:

"Rotary is the pioneer of the service clubs and today numbers more than 14,821 clubs with a combined membership of more than 701,000 business and professional men. Spread throughout 149 countries in all parts of the world, Rotary clubs conduct activities to improve their communities, aid youth, elevate business standards, and further international friendships and understanding."

The governor also conferred with W. Edward Griffin, President and Jack Kanoy, Secretary on club administration and plans for future activities. Marion Swindell is Vice President and Charles Payne, Eric Haste, and Julian Winslow comprise the Board of Directors.

The International Rotary official was given information on the clubs plans for the coming year which include: Continued sponsorship of the Town and County Cub Scout Pack; the County High School athletic teams (all of the bleachers in the athletic field were given by Rotary and programs for games are furnished); continued support of the Chamber of Commerce; continued support of the Rotary Cottage at Boys Home, Lake Wacom.

In his closing remarks the Governor congratulated the Hertford Rotarians for having the best fellowship of any club in the district and having five 100% meetings during the past year.

While the Rotarians were conferring with the Governor during their weekly supper at Elliott's Restaurant the Governor's wife, Frances, was being entertained with a dinner party by Mrs. Edwin T. Williams at the Episcopal Rectory.

Colonial Declares Dividends

Directors of Colonial Stores Incorporated, 435-store Atlanta (Ga.) based food chain, today declared a regular quarterly cash dividend of 35 cents a share on common stock.

The regular quarterly cash dividend of 50 cents per share was declared on outstanding 4 percent preferred stock.

Both dividends are payable September 1, 1971, to stockholders of record on August 17, 1971.

The National Peanut Council, Laughinghouse said, "we are very fortunate to have a man of Mr. Dilda's qualifications to fill this position." Laughinghouse also announced that Andrew Winslow of Route 3, Hertford has been named as a member of the Executive Committee.
