A Thought to Remember

By MARION SWINDELL

We were thumbing through a book of children's prayers the other day. It contained the usual beautiful little prayers for children, and they were all well done—striking illustrations, and in general good taste throughout the book.

There was one prayer in this book, however, that was outstanding! It was illustrated with the picture of a little boy lying on the grass with his puppy dog beside him. The puppy had one of his forepaws bandaged, and here is the prayer:

"My pet does not feel well today God. He doesn't want to play with me. Please help me to take care of him..."

A child's prayer? Yes, but isn't that the true prayer that all people should pray? "Help me to care..." Here we find no selfishness—just a petition for guidance in service.

Our thought to remember is: "THOSE WHO HELP—ALWAYS CARE."

The standard deduction is up this year. But maybe you should itemize.

Your best buddy Lenny might have told you to itemize your deductions because it would save you more tax dollars.

Your neighbor possibly suggested taking the standard deduction because you'd pay less taxes that way.

And Frank down at the office... he helps everybody with their return... what did Frank recommend?

If there's some way to save you money on your income tax, H & R Block will know how to do it.

Itemized and standard deductions are nothing new. We've been preparing returns for years using both. We'll figure out your situation both ways and then prepare your return using the method that's best for you.

You see, for only a few dollars more than it costs to do it yourself (with advice from some other amateur), you can have your tax return prepared with complete confidentiality by a specially trained member of the H & R Block team. There are thousands of them in over 6,000 conveniently located offices.

Each member of H & R Block is warm, friendly and anxious to help you. A visit to H & R Block usually takes just a short time. Once in our office, you sit down over a free cup of coffee and possibly learn

things about your income tax that you never knew existed. Things that we know, because income tax returns are our only business.

H & R Block's fees start at \$5 and the average cost was under \$12.50 for over 7 million families we served last year.

Furthermore, if your return is audited we will accompany you, at no extra cost, to the Internal Revenue Service and explain how your return was prepared, even though we will not act as your legal representative.

It means that H & R Block also offers you year 'round tax service for just one low fee, with no extra charge for audits and estimates.

Yes, it's true. The standard deduction is up this year. It's one of the many things we'll consider when we do your return.

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.

The Owls & The Crow

A financial fable from Peoples Bank.

Once there were three feathered friends who lived together in a hollow tree. Peter, Paul and Charley were their names. Now Peter and Paul, who were the owls, were hard working, industrious and thrifty. On the other hand, Charley, a crow, was irresponsible and always broke. To get money to pay his bills, Charley would one time borrow money from Paul and then to pay Paul back, he'd steal from Peter. The next time he'd borrow money from Peter and then steal from Paul to pay Peter back. This went on for a while before Peter and Paul became wise to Charley. And when they discovered what was going on, Peter grabbed

Charley by his left wing and Paul grabbed Charley by his right wing and together they threw him out of the tree.

The moral of our story is: You can't always be robbing Peter to pay Paul and vice versa or one of these days you're going to get caught in the middle. And if you're worried about being in this situation right now, Peoples Bank will be glad to talk to you. Maybe what you need is a Peoples Bank personal loan to get your budget back in shape. We don't give a hoot who you are, if you need financial help, we'll try to give it to you.

To help you teach your children the value of being thrifty with money, we've created and produced a little book entitled "Peoples Bank's Financial Fables For Children & Others." The next time you visit Peoples Bank to use any of its thrifty financial services, ask for your free copy. This offer is good while the supply of books lasts.
