VISIT HERE
Easter Holiday guests of Mrs. W.E. Dail were her daughter, Miss Celia Blanche Dail of Washington, D.C. and Mrs. Billie Dail Becker and sons, Charles and Bobby of Gamiesville, Virginia.

FHA Releasing \$38 Million

Congressman Nick Galifianakis announced today his efforts to get the Federal Government to release impounded farm loan funds have been successful and that North Carolina family farmers will receive operating loans in excess of \$1,143,000 in the next few weeks.

Galifianakis said the Farmers Home Administration has advised him that it is releasing \$38 million nationally and that all North Carolina operating loans which have been approved but held up because of a lack of funds will now be paid. The Fourth District Congressman said these loans currently total \$1,143,000.

"This is a gratifying day for me," Galifianakis said. "I have been trying to get this money released since February when I realized that the FHA was going to run short and thousands of our small farmers were going to suffer."

He said he planned to "monitor the situation to make sure that sufficient funds are available for the needs of Tar Heel farmers between now and the start of the new fiscal year on July 1.

BIBLE VERSE

"Let your speech be always with grace, seasoned with salt."

1. What is the above verse warning against?
2. Who was the author of the above warning?
3. To whom was he writing?

Answers to Bible Verse

1. A warning against unclean speech, swearing or profanity.
2. Paul the Apostle.
3. The Christians at Colosse.

350,000 Children Vaccinated

Since October, 1971, over 350,000 children between ages one and 12 have been vaccinated against red measles and rubella in one of the most massive public health campaigns ever launched in this state, according to John Irvin, coordinator for the N.C. State Board of Health Immunization Program.

"By the end of May we expect to have immunized close to 500,000 children in campaigns in 80 counties. We will have vaccinated more children against measles and rubella than any other state in the nation in the same time period," he noted.

Irvin estimated that approximately 60 per cent of North Carolina children have already been vaccinated against measles and rubella. On week days, mass campaigns have been held in public, parochial and private schools, day-care centers, kindergartens and nurseries. Sunday immunizations programs are aimed at preschool children.

The immunization campaign came about primarily as a

result of a law enacted by the 1971 General Assembly which added red measles to the list of immunizations required by age two and before admission to school. County Health Departments and school officials enthusiastically joined in organizing campaigns throughout the state.

According to Irvin, results of the campaign are already apparent. "There has been a marked increase in reported cases of measles in the state. In 1971, almost 2,000 cases of measles were reported. In the first three months of 1972, only 19 cases of measles were reported," he said.

"Our ultimate goal is to vaccinate and therefore protect every child in the state against measles. This is a serious disease which may cause encephalitis (brain fever) and may leave children retarded, and it may cause middle ear infection and lead to loss of hearing. Measles pneumonia, another complication, may kill. With the vaccine so readily available, no child has to experience measles," Irvin said.

Note Of Thanks

I would like to thank everyone for all the lovely cards, flowers, gifts, visits and prayers rendered me while I was a patient in Albemarle Hospital and since my return home. Your thoughtfulness will always be remembered.

Mrs. Pearl Proctor

WEEKLY RECIPE

Sarah Anne Sheridan

Most everyone has a sweet tooth and a chocolate dessert just can't be topped. What's even better this one is an icebox chocolate cake.

- Chocolate Icebox Cake**
- 1/2 lb. margarine
 - 2 c powdered sugar
 - 3 sq. baking chocolate, melted
 - 3 eggs-yolks and whites beaten separately
 - 20 vanilla wafers, crumbled
 - 1 c nuts, chopped

Cream margarine and sugar. Add melted chocolate slowly, then eggs. Set aside. Place one-half of the crumbled wafers and nuts in a greased 7 by 9-inch pan. Pour in the chocolate mixture. Sprinkle the rest of the wafers and nut mixture over the top. Refrigerate at least 4 hours before serving. Cut in thin slices and serve.

Card Of Thanks

The words "Thank you" seem inadequate to express my deepest appreciation to my relatives, and friends and to many church organizations who remembered me with prayers, visits, telephone calls, beautiful flowers and cards, gifts, good food, and other acts of kindness while I was a patient in Chowan Hospital and since my return home.

Again my sincere thanks to everyone. I shall always remember your thoughtfulness.

Mrs. Ruth H. Burden

Card Of Thanks

Mr. and Mrs. George James wish to thank the Hertford Fire Department and all others who were instrumental in helping to save their home. May God bless each of you.
