Always a Queen!

To heck with the Woman's Libers! In their efforts to neutralize gender, they'll probably try to put down the fact that Mom is a Queen . . .

This honored title is particularly deserved come next Sunday, May 14, the day set aside for that very special woman in your life — Mother.

So all you male chauvinist pigs out there stand your ground. On Sunday, let's make mothers everywhere feel like the queens they really are!
