HEALTH - HOME - BEAUTY
(Practical Hints For The Modern Woman)
By April Rhodes

Add sparkling highlights to your hair by adding the juice of a lemon to your final rinse water and dry in the sun.

A barefoot romp in sand or grass is a good toner for your feet.

To prevent streaks on your wall, place thumbtacks along the lower underside of a picture frame.

Join the fun crowd, cycle for fun and health. A half hour brisk ride will burn up calories and keep you in good shape.

A word of caution is in order in this age of the aerosol-type sprays. Underarm deodorant sprays should not be inhaled. The same goes for hair sprays and body colognes.

A small piece of cotton stuffed in the fingers of rubber gloves will help prevent holes from long fingernails.
