Borge & Laughs

Victor Borge, one of the genuine humorists of the era, was interviewed recently on the subject of humor and says Americans should laugh more, because it's good for them, for the whole body.

Noting that most Americans don't seem happy with their work, he suggests we try to enjoy it more, since it's necessary. The young people today who want to enjoy things have a point, he says, although they often don't yet realize one must work.

Borge says humor can be found in everyday working and living. If caught in a ridiculous traffic jam, for example, he suggests seeing the hilarious side of it and laughing, rather than fretting—as you would do if watching such a scene on television. Laugh with your family's and children's mistakes, and enjoy them, says the Danish-born American humorist—good advice for all.

Tomatoes

An interprising reporter recently revealed the federal government is cooperating with U.S. tomato growers to keep Mexican-grown tomatoes out of the country. This might be understandable, or permissible, if the U. S. tomatoes were desirable.

The truth is that Americans are often being forced to eat almost tasteless tomatoes as a result. Big U. S. growers have long been planting a low grade tomato because it can be mechanically or easily harvested. Growers use gas on them after picking while green to give them a ripe appearance.

Housewives have long wondered why most tomatoes bought in supermarkets were almost tasteless. What they are buying is probably this "gassed green." Mexican tomatoes, by the way, are usually honest tomatoes, with taste. The Department of Agriculture, which is cooperating with U.S. growers, should begin thinking more of U. S. consumers.

ON AFRO HAIRSTYLE

San Francisco—Dr. Algie C. Brown, of Emory University in Atlanta, a dermatologist, has warned blacks that the popular Afro hairstyle can cause scalp infection, hair breakage and even premature baldness if the hair is frequently "insulted" to achieve the Afro look. He warned against the use of "teasing" or harsh chemicals.

LATE BUT DELIVERED

Miss Barber Bride Of Hallett F. Evans

Miss Debra Lynn Barber became the bride of Hallett Frederick Evans recently in Ramoth Gilead Baptist Church. The Rev. Harvey Crimeger performed the double-ring ceremony in a candlelight setting of baskets of gladioli and mums and ivy. Wedding music was presented by Mrs. George Sawyer, organist and Craig Maddox, soloist.

The bride is the daughter of Mr. and Mrs. William Richard Upton of Route 5, Elizabeth City and Kenneth Barber of Winfall. The bridegroom's parents are Mr. and Mrs. Hallett Perry Evans of Route 3.

Given in marriage by William R. Upton, the bride wore a floor length gown of silk organza and lace accented with white pearl buttons at the neck and sleeve. The large bow at the back made the bridal train. Her elbow length veil of illusion was attached to a crown of lace and organza and she carried a bouquet of daisies and yellow and white roses.

Miss Charlene Coppersmith of Elizabeth City was maid of honor. Vickie Barber, sister of the bride was bridesmaid. They wore mint green dotted swiss long gowns with empire waists. Their headpieces were matching bows and they carried long stemmed American red roses.

Miss Angela Blair James was the flower girl and Larry McCoy of South Mills, ring bearer. Mr. Evans was best man for his son. Ushers were Stephan Evans, brother of the bridegroom, Terrance Harris and Edward Brinson, all of Elizabeth City. Mrs. C. E. McCoy of South Mills was mistress of Ceremony. For her daughter's wedding, Mrs. Upton chose a yellow knit dress with matching lace trim, matching accessories and white carnation corsage. Mrs. Evans wore a blue double knit dress with beige accessories and blue carnation corsage. For a wedding trip to Nags

(Practical Hints For The Modern Woman)
By April Rhodes

Now is an excellent time to evaluate your patio area for privacy and attractiveness. Make notes for adding shrubbery in the fall as to height and space to assure greater pleasure and privacy.

Wash and wear cottons and polyesters keep their new look and color stays bright if washed in the same cold water soap you use on sweaters.

Since more of the body will be exposed in summer swim suits, use a generous amount of body lotion to keep your skin a smooth sheen.

To encourage a small child to chew with his mouth closed, place a small mirror behind his plate at mealtimes.

Do you find a lingering paint odor in a freshly painted room? If so, set a pail of water inside the room and the odor will soon vanish.

Never stand a broom or brush on its bristles. Hang by the handle or stand with bristles up.

Give hands and feet extra care with extra rich creams. Keep fingernails and toenails neatly trimmed and polished with the new fashionable bright colors.

Butcher: Yes, Ma'am.

He—Perhaps I did, darling, but since then you've developed into a big expense!

Women: Would you please cut off 15 pounds in one piece?

Not Worth It
Aunt—No man would catch me romancing a beach in a costume like that!

Butcher: Here you are, Ma'am. Shall I wrap it up?
Woman: No, I just wanted to see what 15 pounds looked like. That's how much I lost on my diet.

Niece—I don't think he would try Auntie.
