Burning Permit Is Required

Perquimans County Ranger Lewis "Luke" Stallings reminds all residents that the law requires everyone to obtain a permit for the burning of brush, trash, or any inflammable material within 500 feet of any woodland or 100 feet of an occupied dwelling before 4 p.m. beginning the first day of October through June. We usually have some dry weather during our fall months so it is important that everyone be extremely careful and cautious when burning near the woods.

Luke reminds all residents that the law requires everyone to obtain a permit before starting to burn within 500 feet of woods. Fines up to \$50 are provided for failure to obtain these permits. It is much safer to burn in the late afternoon. The Winfall Fire Tower will be manned and a smokechaser will be put on the 16th of this month. Any smoke the towerman sees will be checked out by the County Ranger or smokechaser, so please get your permit.

In case of a fire, call the Fire Tower (426-5551) during the day after the 16th. At night, call 297-2557.
