

**IN ACTION** — McCarthy Mitchell, senior citizen, paints his house.

**NECESSARY ITEMS** — Way back then, the pitcher and bowl was the way a bath was taken in granny's house. Fresh water came from the well or pump and on cold mornings, a face wash was a chilling experience. To see at night, the reliable kerosene lamp was used. The lamp is used now when a power shortage comes our way. Remember going to the corner store to buy something by the pound? Mr. Storekeeper always used this handy scale to way all purchases.

**WINNERS** — Mr. and Mrs. Clarence Felton, of Beech Springs, were vegetable garden winners for 1972. The couple is senior citizens.

**BIG YIELD** — Elijah Brooks, an active senior citizen, examines a field of hybrid corn. The acre yielded a 105 bushels.  
DATE MEASURE  
Capacity of an Arab dhow is measured not in tons but in the number of 180-pound date packages it can stow, the National Geographic Society says.
