Woodland Clinic At Camp Cale

The thirteenth annual Albemarle FFA Woodland Clinic was held Thursday, October 17th, at Camp Cale on Perquimans County with five high schools in the area participating.

The event is sponsored annually by the Albemarle Soil and Water Conservation District with the cooperation of the Vocational Agricultural teachers, the N.C. Forest Service, Union Camp Corporation and Jones Lumber Company. The N.C. Forest Service sets up the contest and supervises the event, whereas the cash prizes are donated by Union Camp Corporation and Jones Lumber Company.

The FFA team from Knapp High School in Currituck County won first place, Perquimans County team won second place, and Northeastern High School in Pasquotank won third place.

The first place team received \$25.00 award, second place \$18.00 and third place \$12.00.

Arnold Parker of the Northeastern FFA team was high scorer in the event and received an award of \$5.00.

The objectives of the contest is to stimulate interest in forestry as an integral part of a course in vocational agriculture and as a profession. To develop reasonable abilities necessary in managing forests, and to develop

reasonable skills needed in the application of the principle of managing, measuring and marketing forest products.

The contest consists of four events. Each boy competes in events which test his skill in sawtimber estimation, pulpwood estimation, timber marking, and tree identification.

Label Drive

Hertford Grammar School is in the midst of a special collection drive at obtaining greatly needed audio-visual equipment. The program, Labels for Education, is sponsored by Campbell Soup Company and offered to elementary schools both private and public. "Between now and December 31 we hope to collect enough Campbell's Soup labels to earn several head sets" said PTA President Gay Mann. "Our students are saving their labels and they would appreciate it if friends of the school would do the same." Any Campbell's Soup or Beans label counts in the drive. More than 110 audio-visual and athletic equipment items are being offered. A participating school sends in the assigned number of labels for the particular items selected.

All parents and interested persons are being asked to help in this worthwhile project. For more information concerning this project you may call Hertford Grammar School (426-7166).

Teen Dems To Meet

The Honorable Walter B. Jones, Congressman of the First Congressional District will serve as official host of a Democratic Workshop for Ken Kinion of Edenton, North Carolina, and Chairman of the First Congressional District Teen Dems, at the Town and Country Restaurant in Williamston, North Carolina on October 26th, 1974, from 10 a.m. to 3 p.m. The purpose of the workshop is to develop interest in establishing Teen Dem Clubs in every county in the twenty-one county district. At the present time Chowan County is the only chartered club in the district.

The planned program includes a speech on the topic "A renewed interest in our youth" by Congressman Jones. The Organizational Structure of Teen Dems by Ben Utley, Executive Director of the North Carolina Democratic Executive Committee and The Role of the Advisor by William Culppepper, III, attorney of Edenton. Congressman Jones will serve as moderator of the adult seminar following the speeches, and Ben Utley, Bill Culppepper, and Ken Kinion will be moderators of the teenage seminar. Following the luncheon, a Teenage Rap Session will be held for teenagers to talk with Congressman Jones personally.

Mr. and Mrs. Steve Satsky, adult advisors of the North Carolina State Association of Teen Dems, will be guest for the workshop.

Each County Democratic Chairman is to attend and take teenage representatives. Any teenager interested in attending should call their County District Chairman soon. The number of representatives is limited because of accommodations reserved. Every Democratic Chairman is urged to attend or send a representative in his place.

WITN Television Station will cover this event. The luncheon will be \$3.00 per person.

TOMATO PROBLEMS

If you had problems with your garden tomatoes this past summer, now is the time to do something about avoiding similar problems next year. Blossom-end rot is a common tomato ailment in North Carolina gardens. It can be reduced by having your soil tested now and liming according to soil test results. Lime now, don't wait until next spring. N. C. State University specialists suggest.

POTATO CROP

North Carolina Irish potato growers produced about 6 per cent more potatoes this summer than they did a year earlier due to an increase in acreage. Yield per acre was down slightly due to less favorable weather.

Consumers And Kilowatts
