MASS MEETING AT COURTHOUSE TONIGHT TO ORGANIZE CHAMBER OF COMMERCE: The interested citizens of the town are called to meet Friday night at the courthouse for the purpose of organizing a chamber of commerce. The Rotary Club, which is responsible for the movement, is making an attempt to interest others in the town in the proposed organization. Dr. C.A. Davenport, president of the Hertford Rotary Club, appointed each Rotarian a committee of one to bring two others to the meeting and asked that each member talk to as many others about the proposed plan as possible. Dr. Davenport, in announcing his intention of naming a committee, stated that there had been a number of attempts to organize a chamber of commerce here, but that he saw no reason why it shouldn't be attempted again.

Father's Award Goes To Charlie!

Happy Father's Day, Charlie! I'm proud to announce that the "Pop of the Year" Award goes to Charlie Roberts of Eastbourne, England who claims the world record for *fathering* a tomato weighing four pounds, four ounces. That's about \$3.00 worth of tomato!

But don't let Charlie of England deflate your garden growing interests. Even if you don't father four pound, four ounce tomatoes, you've still got a bargain. Gardening is a fine family project. It creates togetherness, saves money on food bills, provides sun, fun, exercise, and the best possible nutrition.

As for stress, what could be healthier for Dad than to be the proud daddy of a cute little tomato plant, a stunning horseradish, or a sexy, silky ear of tender, young corn?

HALLELUJAH! — The Jumping Jills from Hertford Grammar School got the luncheon rocking during the Appreciation Luncheon with their cheers for S-C-H-O-O-L and their hallelujahs for the end of school.

Build your future. Learn a trade.

Let's be practical. To build a future, you need a trade. And there are over 300 different skills you can learn in the Navy. You also get on-the-job training to back up your classroom work. And you get paid for learning. Electronics, construction work, or mechanics, just to name a few. Of course, you're not getting something for nothing; you earn it. You gotta have what it takes to begin with, then measure up to high Navy standards, and show a willingness to do your share of the housekeeping chores.

The opportunity is for real... and so are we.

Perquimans County Schools:

First Appreciation Luncheon Held

By KATHY NEWBERN

Last Friday was the day for another first in Perquimans County. The county Board of Education sponsored an Appreciation Luncheon for all school personnel and supporting auxiliary personnel as an expression of their thanks for a successful year.

Ms. Thelma Elliott, board member, extended a warm welcome to those in attendance and was followed by Board Chairman Clifford Winslow with the invocation.

Following a delicious luncheon prepared by school food services personnel, the

group enjoyed the talent of members of the Perquimans County school "family."

First on the entertainment agenda were members of the faculty and staff of Perquimans Central School. The newly formed singing "Rockettes" paid tribute to North Carolina's Bicentennial year with renditions of such favorites as "The Old North State" and "Carolina Moon."

"The Ballet Twins" from Perquimans High School, also known as Delores Byrd and Brenda Hollowell, were next displaying some of the talent that exists among the school family in a graceful ballet number.

A Singalong Gang made

up of the faculty and staff from Perquimans Union School kept up with the entertainment pace with two favorites, "Born Free" and "Let There Be Peace On Earth."

Last on the agenda, but far from least as the old cliché goes, were the "Singing Jumping Jills" from Hertford Grammar School. Their talent included a poem by Mrs. R.S. Monks concerning the woes of that last paycheck and a cheerleading squad backed up by a tambourine corps.

They ended their segment of the program with a laugh, a jump, and a giant "hallelujah" for the end of school.

The program and luncheon ended on a serious note as school superintendent C.C. Walters recognized retiring school personnel and Clifford Winslow, Chairman of the Board of Education, remarked on the success of the year and the part each individual played. He said, "I'm just proud to be a part of it."

It was voted unanimously by those in attendance that the end of the year Appreciation Luncheon should become an annual affair. With many memories from another school year, a teacher left knowing "School's Out For Summer!"
