**FIRE DEPARTMENT QUEEN** — Barbara Layden, daughter of Mr. and Mrs. Charles Layden of Belvidere, was crowned queen of the Belvidere-Chappell Hill Fire Department on Saturday, Sept. 27. The crowning was performed by Fire Chief Jimmy Chappell during the annual bazaar sponsored by the department's Ladies Auxiliary. The two other contestants were Dina Copeland, daughter of Mr. and Mrs. Parker Copeland of Rt. 2, Hertford and Vickie Chappell, daughter of Mr. and Mrs. Odus Chappell of Chappell Hill. The contestants distributed jars for contributions and Ms. Layden received the most financial support. Totaled, the three girls raised \$1130 to be used for the operation of the fire department. The Belvidere-Chappell Hill Department is the only local fire department with a queen. Part of Ms. Layden's duties will include representing the department in parades and other events as well as acting as hostess for future fund-raising events such as suppers and turkey shoots.

## We've Come A Long Way From That Little Food Store In Toad Lane

...where, in 1844, in Rochdale, England, the 28-member Society of Equitable Pioneers started the first successful consumer cooperative.

We're America's nearly 40,000 cooperatives — today's pioneers, choosing the different way to provide our families and communities with needed goods and services.

We're purchasing, marketing, housing and nursery school co-ops; we're health care and legal services groups; we're credit unions and farm credit associations, insurance companies, rural electric and telephone systems, supermarkets, funeral societies, farm supplies, TV and auto repair shops ... we're big, small, here, there, and everywhere.

We're what happens when people work together to meet common needs.

We've come a long way — but the trail to the future never ends.
