the Woodrow Wilson Foundation, Kiwanis International, Human Relations Council, Board of Directors of North Carolina Symphony Society, 32nd degree Mason and I.B.P.O.E. of Elk.

As chairman of the 1975 Christmas Seal Campaign, Dr. Thorpe will be actively involved in guiding the campaign in the association's area which encompasses 22 Eastern North Carolina counties.

It was in 1907 that the idea was conceived of issuing each year an attractively designed stamp-size seal to be used on Christmas cards, letters and packages in the weeks preceding the Christmas season. Mailing of the traditional Christmas Seals, which is the principal means of raising funds for the fight against emphysema, asthma, and other respiratory diseases, will begin going out to the public in the very near future. Dr. Thorpe asks the public for their help in making this the most successful campaign ever.
