

**IF YOU EVER GET IN OVER YOUR HEAD,  
A PEOPLES BANK SAVINGS ACCOUNT  
CAN BE A REAL LIFE SAVER!**

Saving money for unexpected emergencies is a practice we've been preaching for over 40 years. But like they say, you've got to practice what you preach. So while our supply lasts, anyone who makes a savings deposit at any Peoples Bank office is going to receive a little goodwill gift from us. A roll of Life Savers. That's to remind you that if you have an unexpected emergency someday, your Peoples Bank Savings Account just might be the thing to keep you afloat.
