CARD OF THANKS

I wish to express my deep appreciation to my family, neighbors, and friends for all of their many kindnesses during my extended stay in the Albemarle Hospital and my continued convalescence at home.

Your visits, cards, flowers, and other gifts, but most of all your prayers will never be forgotten.

I would like to paraphrase "Perquimans County is the Land of Beautiful Women" to read "Perquimans County is the Land of Beautiful People." Anniebelle Wood Whitley

CARD OF THANKS

To my friends and neighbors, and Love ones who so graciously remembered me when I was a patient in the hospital, and since I have come home, I will always be grateful for the cards and prayers and visits and the flowers and gifts. It helps to think that somebody cares. May God bless each one of you. Thanks again, Geneva Sawyer

N. C. Grain Yield Down In 'Up' Year

North Carolina producers of small grain will be out this year to reverse the production pattern of last season. The yields of wheat, barley and oats were all down in the 1974-75 season.

At the same time, the nation as a whole produced larger crops than in the previous year and set a record in wheat.

The Tar Heel wheat crop was down 6 per cent to 9.3 million bushels, while the U.S. crop was a record 1,651 million bushels.

North Carolina produced 4.3 million bushels of oats and 2.7 million bushels of barley, slightly less than in the previous year in each case. The U.S. oat crop was up 7 per cent to 657 million bushels, and the barley crop was 26 per cent greater at 883 million bushels.
