**HISTORY CONSCIOUS CITIZENS PLANNING REMOVAL HARVEYS OR RESTORATION OF GRAVES:** Whether the two and a half century old Harvey graveyard in the Harvey's Neck section of Perquimans County will be restored or whether the body of Gov. Thomas Harvey and those of the others of the line who are lying in a neglected spot in the woods close to the shore of the Albemarle Sound will be brought to Hertford, has not been decided. But plans are under way either to bring the bodies to Hertford in the near future and place them in the Harvey plot in Holy Trinity Churchyard, where numerous of their descendents lie, or to restore the burying ground near the spot where the family lived on the Sound, and where the bodies have lain for so many years.

**COMMITTEE FROM THE TOWN CRIERS URGE FLAG DECORATION:** At least one of the committees appointed at the meeting of the Town Criers on Friday night has gone to work. J.G. Roberson, who is chairman of the planning committee, has had a meeting with the other members of his committee, which includes Dr. C.A. Davenport, B.C. Berry, Corbin Dozier and C.P. Morris, and they expect to see sockets placed on the sidewalks of the business section of the town for placing flags.

**BIRTH ANNOUNCEMENT:** Born to Mr. and Mrs. W.F. Baker, Hertford, Rt. 2, on March 23, a son.

**A CANDIDATE:** A Linwood Skinner, who today announces his candidacy for the office of Representative of Perquimans County. Mr. Skinner, who is a salesman for J.C. Blanchard & Co., is a native of Perquimans. He is 33 years old and has lived in Hertford all of his life.

**BIRTH ANNOUNCEMENT:** Born to Mr. and Mrs. Alphonso Chappell at their home near Belvidere, on Monday, March 21, 1938, a daughter, La Rue.

CHEWING THE RAG,

**WITH LUCIUS BLANCHARD, Jr.:** A feminine voice called Vivian Mathews on the telephone and asked if his service station is on the highway. "Yes, Ma'am," answered the proprietor of Bill and Viv's and assured the voice that his station was in fact, on U.S. Highway 17. "You'd better move it—there's a car coming," cracked the jokester. Viv still doesn't know who was on the other end of the phone.

**WATER SNAKES OUT EARLY:** Water snakes are out early this spring. Littleton Gibbs, Jim Bob White, William White and Beverly Blanchard killed 15 Tuesday afternoon within one mile of Hertford. They said they saw 40 snakes; maybe moccasins, they weren't sure of the breed, and all of them were killed between Crow Point and Skinner's Creek Bridge.

**CHILDREN RID COMMUNITY OF 8,564 OLD TIN CANS:** A concrete example of what the Clean-Up Campaign is going to

mean to Hertford might have been seen last week when 8,564 empty tin cans were hauled away from the school in Hertford. These tin cans had been collected by the school children, who are competing for that cash prize Miss Gladys Hamrick has offered to the child who gathers the largest number of tin cans and takes them to the school house during the period before April 30. There were four cart loads of the cans. They had been gathered from back yards, along the river shore, in trash piles; in fact, wherever one could be found.

**SAW THE CHERRY BLOSSOMS:** Among the Hertford people who went up to Washington to see the cherry blossoms during the weekend were Postmaster and Mrs. J.E. Morris and their two children, Pat and John, and Mr. and Mrs. E. McM. Newby. Also Mr. and Mrs. Charles T. Skinner and Mr. and Mrs. D.F. Reed. They were guests of Mr. and Mrs. Oscar Newbold.

**CHECK TO HEART FUND —** As a result of recent balloon sales, the Perquimans High Health Careers Club was able to present a check for \$200 to the County Heart Fund. Pictured above, Joyce Winslow (left), club treasurer presents the check to Roy Chappell, county treasurer. Looking on is Betty Jones, health club member. Advisor for the Health Careers Club is Elaine Pritchard.

**CLEAN UP —** Mrs. Adle Keegan and Mrs. Thelma Appleton were at work recently raking the Courthouse grounds. These two industrious ladies are members of the Beautification Committee for the Town of Hertford.

**RUMMAGE AND BAKE SALE**  
The Perquimans County Jaycettes will sponsor a Rummage and Bake Sale on the Courthouse lawn, Friday, April 1, from noon until 6 p.m. Anyone wishing to donate used clothing, furniture, or miscellaneous items can bring them to the sale or call a Jaycette for pick up. Proceeds from the sale will go toward operation of the non-profit organization.

## How do you convince an alcoholic that he is?

One of the most frustrating characteristics of alcoholism is the inability of the sufferer to accept or recognize that he/she is in serious trouble despite overwhelming evidence to the contrary.

To help the drinker, or the concerned friend of the drinker to diagnose symptoms of alcoholism, we've prepared an "Alcoholism Self-Appraisal Test." You may order yours from our Clipping Service, Box 5051, Raleigh, N.C. 27607. Please enclose a stamped, self-addressed envelope.

Though this approach has the weakness of self-appraisal, it nevertheless has proved to be a useful diagnostic tool. The test was developed by the National Council of Alcoholism and contains a series of 26 questions.

Do you have health problems? We'll be glad to discuss them with you in strict confidence.
