**The Pharmacy that says "When in doubt, ask."**

The most delightful, rewarding experience in pharmacy is advising and consulting with patients over their health needs. Too often, however, patients simply do not ask the questions they need to ask. Instead, they leave the pharmacy half confused or a bit in doubt about their drug therapy instructions.

As your Pharmacist we want you to understand the full nature of the drugs you're taking. Safer, more effective drug usage will result.

So, break the "stone-walling" trend, get our attention when you need it. **Safety First: If you're seeing more than one physician, be sure each knows about all medicines you're taking.**

## Extension Clubs Meet For Annual County Program

Members of the Perquimans County Extension Homemakers Club recently got together for their Annual Achievement Program.

The call to order and welcome was given by Mrs. Willima Modlin, President of the Perquimans County Extension Homemakers Council. Mrs. Dan Berry of the Helen Gaiter Club gave the devotional. The County Program of Work report was given by Mrs. Donald Madre, first vice-president. Ms. Jemima James, 1975 State International Chairman of Elizabeth City, was guest speaker and by way of slides, she took the group to Australia to attend the ACWW (Associate Club Women of the World) International meeting. enjoyable meeting. Also, Ms. James presented slides of the United Nations Headquarters in New York which also proved interesting. A pillow made by Mrs. Singleton Lane was presented to Ms. James as a token of the Council's appreciation for her work and her visit.

Forty-two members received perfect attendance awards including Mrs. J.B. Basnight for 37 years and Mrs. John E. Wood Sr. for 34 years.
