"The animals were of good quality and the buyers had their usual enthusiasm at the sale. An event of this type would be impossible without the fine support rendered by our local businesses."

In the Swine Showmanship Class, Perquimans County had a clean sweep. First place went to Bryant Perry, son of Mr. and Mrs. Rudolph Perry of Rt. 2, Hertford. Second place was awarded to Dena Copeland, daughter of Mr. and Mrs. Parker Copeland also of Rt. 2. And third place was captured by Earlie Byrum, son of Mr. and Mrs. Weldon Byrum of Rt. 1, Hertford.

Commissioners Hold Monday Meeting

The Board of Perquimans County Commissioners met on Monday and approved the Draft Plan Design Ablemarle Region Resource Conservation and Development Project and authorized the Chairman of the Board to sign same.

The bid submitted by W.F. Ainsley in the amount of \$1,225.00 for a 1974 car used by the Sheriff's Department was accepted by the Board.

The Board approved Belvidere-Chapel Hill as a Fire District.

R.L. Spivey was appointed to serve as a member of the Board of Directors of A.R.P.C.

The Board, also, adopted

a Resolution urging the General Assembly of North Carolina and state officials to do all that is reasonable and within their power to adequately fund the N.C. Community College System to allow faculty and staff salary increases and to provide sufficient personnel to meet the needs and desires of our local citizens.

The capital construction and equipment funds being held in reserve for College of the Albemarle are vitally needed to get the college's programs out of antiquated facilities and into new buildings.

The availability of the above mentioned funds is now being used by College of the Albemarle to attract

federal construction funds and their loss will have a drastic impact on the College's long range construction plans.

Copies of the Resolution will be sent to the following: Representative W. Stanford White; Representative Vernon G. James; Senator J.J. Harrington; Senator Melvin R. Daniels, Jr.; Representative Jimmy L. Love, Senator Ralph H. Scott, Chairman of Senate Appropriation Committee; Dr. Ben C. Fountain, Jr., State President, Department of Community Colleges, State Board of Education; and Dr. Dallas Herring, Chairman, State Board of Education.

Ladies.....

Be Your Own Boss

You don't have to work away from home to earn the extra income your family needs. Many Perdue contract broiler growers are ladies: caring for 16,000 or more chickens. Our "lady" growers tell us they like caring for broilers because:

- They work at home and save travel costs.
- They're able to schedule their work load so that the family is not neglected.
- They earn a guaranteed income that can be increased through good management.
- They work at their own speed.
- They work for themselves in their own business.

The average Perdue contract broiler grower is earning an average gross income of nearly \$10,000 a year. They don't punch a time clock. They don't have to spend time and money driving to their work. And they don't have a fixed income. Good management will earn them more than their guarantee.

Wouldn't you be proud of your own business? Find out how you can become a "lady" contract broiler grower and be your own boss. Call today for information. The number to call is 919-332-8111.
