

DISCUSS PROJECTS - Discussing some of the Alliance for Progress projects at the group's Wednesday night meeting were (l. to r.) C.C. Walters, Superintendent of Perquimans County Schools: Clifford Winslow, Chairman of

the Perquimans County Board of Educa-tion; Dr. Walton Jones, Associate Vice-President in charge of research and public service with the University of North Carolina system; and Richard Baker, AFP Director. (Newbern photo)

## Former Veneer Mill Burns

Firemen with all departments in Perquimans County were on the scene Friday night when the old Veneer Mill on Grubb St. in Hertford burned to the ground. The blaze lit the skies and was seen miles away.

At approximately 10:30 p.m., the alarm was turned in by Hertford Police Officer J.R. Logan. By the time members of the Hertford Volunteer Fire Department arrived the building was nearly engulfed in flames. arrived, the building was nearly engulfed in flames. Winfall, Belvidere-Chappell Hill, Bethel, and Inter-county Fire Departments were all notified. Firemen from each of those departments were eventually on

According to Hertford Fire Department Chief C.T. Skinner Jr., the fire originated in the rear of the metal warehouse and there were actually three buildings, all connected, involved. Skinner said, "Our concern was to keep it from spreading to other buildings." He added that the origin of the fire was "undetermined" at this time. Also, the estimate of damages to the building is still unknown. It was owned by Frank and Jack Habit of Elizabeth City and Edenton respectively. The building was most recently used to house the Hertford Frames three years ago, a company which manufactured bed frames. The building had not been

The same building also caught fire on Friday, May 14th but firemen caught it in time. Chief Skinner said, 'We are reasonably sure it was set on fire on the

night and most of early Saturday morning. The origin of the fire has still not been determined. (Staff photo by Ray

## **Alliance For Progress** Reviews Yearly Projects

By KATHY M. NEWBERN Discussion of several Alliance for Progress proects and activities was on the agenda when the group met May 19 at the Tomahawk Restaurant in Ahoskie, N.C. Members from the six counties involved in AFP, Bertie, Chowan, Gates, Hertford, Martin, and Perquimans were present.

W.T. Modlin, Vice-Chairman of AFP and Chairman of the Hertford County Commissioners, reported on preliminary planning of an Outdoor Environmental Education Center. He said Union Camp had given 3810 acres of land in Gates County to be used for this project. A dedication ceremony has been planned for June 14 with Governor

Jim Holshouser to be pre-

One of the major areas of

discussion during the

meeting was the Alliancesponsored Access to Mainstream project which works in the home with chidren ages birth to four. who have special needs. Gaynor Joyner, director of the project, announced to the group that a budget of \$105,000 had been approved for the upcoming year. The Access program has recent-ly been involved in training sessions for staffs involved in other similar programs such as home-based Head Start. These training sessions have been held with four groups. Ms. Joyner explained that a decision is now facing the Access to Mainetream project "As of Mainstream project. "As of July 1, 1977, the service that

Access to Mainstream is providing to children will have to be picked up on the local level," she said. Due to changes initiated by the Board of Education for the Handicapped, the Alliance for Progress must decide if the project will work next year in an attempt to become validated as a model project on the na-tional level or will continue to work with children in the six-county area.

Ms. Joyner added that the service to children will eventually have to be picked up on the local level and it is just a matter of deciding whether this will be done sooner or later. If the pro-ject decides to take the route of working toward valida-tion as a model project, very little to no work will be done with services to children. Ms. Joyner did add that having a model project in Nor-theastern North Carolina would bring "prestige" to the area. If it does become a model project, many groups and various program per-sonnel will be coming into the area to observe the pro-

In order to make the decision, the Alliance for Progress voted to form a committee to further look into the possible routes which could be taken in regard to the project. This committee will meet and report back to dedication ceremony.

In other business, the nominating committee sub-mitted the names of W.T. Modlin of Hertford County and R.S. Monds of Perquimans County as chairman and vice-chairman respectively of Alliance for Progress for the upcoming year. These nominations were accepted by acclama-

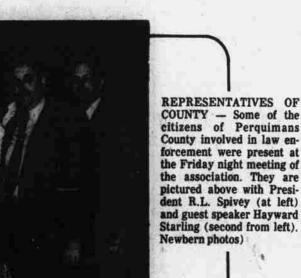

Also, a wrap-up report was given by Dr. J.H. Hor-ton of Edenton concerning the Elected Boards Institute in which County Commis-sioners and Board of Education members in the sixtion members in the sixcounty area have participated. Dr. Horton
pointed out the value of the
three Institute meetings
held this year and recommended more institute sessions be held next year. It
was also suggested that the
Fall Institute meeting
center around teacher
evaluation. Dr. Horton also
saked those present to access
the importance of attentance at the institute sestions.

Cahoon of Dare County, secretary; and J.J. Walston of Camden County, treasurer. Following the election, newly elected president Spivey said. "I want to thank you for this expression of confidence. I hope it's merited."

Frank M. Cahoon, Sheriff of Dare County introduced the guest speaker, Hayward Starling, director of the N.C. State Bureau of Investor-

organization. We are not a state police." He stressed the prevention of crime before it occurs with the help of the citizens of North Carolina. He said, "In calendar year 1974, there was a 27 percent increase in serious crimes in North Carolina. According to statistics by the SBI, this was a 33 percent increase." Starling cited several contributing factors to crime in the state factors to crime in the state and in the nation. These included abusive uses of drugs including alcohol and too much public apathy. He said, "We in law enforcement need to look at the role we've been playing as after the fact preventors and consider working toward becoming before the fact preventors."

#### Albemarle EMC To Get Loan

Congressman Walter B. Jones recently announced the approval by the Rural Electrification Administration of a loan of \$429,000 to the Albemarle Electric Membership Corporation in Hertford. The loan is to be repaid at five percent interest. The corporation will obtain supplemental financ-ing from the National Rural Utilities Cooperative Finance Corporation.

The Albemarle Electric Membership Corporation serves Chowan, Camden, Currituck, Pasquotank and Perquimans counties and will use the funds to finance service for 430 additional consumers, 21 miles of distribution line, and various sytem improvements.

## **Bond** Sales Are Up

Sales of Series E and H Savings Bonds in Perquimans County during the first quarter of 1976 were \$29,011. This represents 27 percent of the county's goal of \$107,600 according to R.L. Stevenson, county volunteer chairman.

Not since the War Loans of 1945 have North Carolinians purchased more Savings Bonds in any quarter of any year. First quarter 1976 Series E and H sales were \$26,225,496 which is 5.6 percent above a year ago and represents 24.4 percent of the state's 1976 dollar goal of

Nationally, total cash sales of E and H Bonds for the first three monts of 1976 amounted to \$1,979 million. 4.7 percent above a year earlier. Sales exceeded redemptions at cost price by \$606 million, as March 1976 marked the 30th consecutive month sales have exceede redemptions at cost price. The cash value of Series E and H Bonds outstanding on March 31 amounted to \$68.6 billion, up by \$1,103 million in the first quarter. Holdings of Series E and H Bonds and Freedom Shares reached
