Fire Assistance Is Appreciated

TO THE EDITOR:

I would like to use this media to express appreciation to the various fire fighters and individuals that assisted the Hertford Fire Department on Friday night, May 21st, at the Vener Mill Fire. By quick action of Police Officer J.R. Logan calling the alarm in via radio expedited the initial response.

The efforts made years ago of organizing, training, and working for the four other fire departments in Perquimans County paid off. The two-way fire radio communication system in Perquimans County saved the day in calling for additional help.

The Winfall Fire Department was called for manpower and apparatus response. The Belvidere-Chappell Hill Department was called for stand-by alert to cover the Belvidere, Whiteston, and Winfall area, Bethel was alerted to cover the southern and western area of the county, and Intercounty was alerted to cover Woodville, and New Hope area and send fire fighters to Hertford. Each fire department had fire fighters on the scene. The Perquimans County Rescue Squad had men and vehicles on the scene as did the Sheriff's Department.

A special thanks to the numerous individuals that prepared beverages at the fire scene for the fire fighters. This kind of community spirit makes the volunteer service worthwhile.

I also appreciate the information concerning the fire origin that numerous individuals have given to the investigating officers.

CHARLES T. SKINNER JR.
Chief, Hertford Fire Dept.

Lunch Program Participation

TO THE EDITOR:

To the parents of Perquimans County students, I would like to thank you for your cooperation and participation in our lunch program this year. We have tried to improve the cafeterias and menus to better satisfy the children. Student Lunchroom Advisory Councils have been active and helped create interest by sponsoring contests in the schools. We challenge you to encourage your child to participate in the school lunch program next school year.

Lunch will be served Monday, May 31 and Tuesday, June 1. Please check the menus posted in each school for those two days.

Any helpful suggestions are always welcome. We look forward to serving you again next school year.

Have a nice summer.
