Yearbooks On Sale

The Bicentennial edition of the Perquimans County Historical Society Year Book is now available. The forty-page booklet is divided into three parts. Part one, "The Harveys, the Albemarle and the Revolution," tells how the area's colonial history prepared it for revolution. Part two, "Minutes of Perquimans County Court, July Term 1777," illustrates homefront activities of the newly-independent local government. Part three, "Perquimans' Revolutionary War Pensioners," gives brief biographies of seven old soldiers, including the humorous story of what private Goodwin did to his commanding officer. The book explores the nature of the American Revolution, telling who supported it here and why they did so. Copies are available at \$5 each, postpaid, from: The Secretary, Perquimans County Historical Society, Hertford, N.C. 27944. The supply is limited.

Grill To Be Raffle

The Perquimans County Marching Unit will raffle off a cast iron grill made and donated to the girls by Preston M. Copeland at 7 p.m. on Saturday, July 3. A raffle ticket is a donation of \$1.

The Perquimans County Jaycees are sponsoring the Fourth of July parade on Sunday, July 4 starting at 5 p.m. Anyone wishing to participate in the parade should contact Ben Berry at Peoples Bank 426-5213 or at home 426-5148 or can enter by contacting the Chamber of Commerce office at 426-5657. Berry added that "parade entries are needed and your participation will be appreciated."

Recycling Visit

Everyone seems to use more aluminum beverage cans and foil products in the summertime while planning family meals around Fourth of July celebrations, Little League ball games, camping trips, beach weekends and vacations. Save these aluminum containers and turn them in for cash, 15 cents per pound, at the Reynolds Aluminum mobile recycling unit.

Much clean household aluminum can be recycled such as pie plates; aluminum foil; frozen food and dinner trays; dip, pudding and meat containers; as well as beverage cans. Recyclers are reminded that all-aluminum beverage cans are non-magnetic, have a rounded bottom edge and no side seam. Many cans have the words "recyclable aluminum" printed on the side.

The Reynolds Aluminum recycling unit will be in Hertford at Harris Shopping Center on July 1, 15, and 29 and every other Thursday thereafter from 10:30 a.m. until 12 noon.

DEADLINE

The deadline for Perquimans County citizens to register to vote is July 19. Any person having moved since he last voted should also notify the Board of Election to have his name changed to the correct township.

NEW PLANTERS — These new redwood planters have recently been added to the courthouse green and just in time for the Bicentennial celebration. The Hertford BFW Club donated the money to have the planters made and Joe Tunnell and Archie Miller made them. The project was sponsored by the Hertford Beautification Committee. Several Town of Hertford employees donated their time to clean up and weed the lawn during the project. These men working after hours were William Downing, John Billups, Rufus Rouse, Alva Wislow, and Gene Biggs. (Newbern photo)
