

# Pirates Are Victorious

By TONY JORDAN  
Although Coach Webster and his Pirates shut out Northampton 12-0, Monday, the coach was discontent. "If we had played them Friday we would have scored four or five times more. Monday night football is not for high school; it's for the pros." Perquimans came close to more scores many times. The closest was ended on the one and a half yard line with a fourth and one situation.

The one thing Webster didn't fret about was his team's defense. The entire defense should be congratulated. Tyrone Spellman and Reginald Overton turned in exceptional performances at end and nose guard. Commenting on the key to the Pirates success, Webster said, "The linebackers improved a lot over last week. The front linemen did a good job in controlling the line."

Offensively, the Pirates

were less than stunning, but they got the job done. Both scores came on the first drive of each half. Northampton fumbled the opening game kickoff and the Pirates recovered on the Northampton 29. Charlie Sutton brought the ball close to a Pirate score, but after a couple of penalties, the Pirates' chances of taking an early game lead diminished. Sutton came right back for some tough yardage against the Rams to score.

Michael Flythe aroused everyone after the halftime activities as he sauntered to mid-field on the kickoff. After a penalty and some first-rate runs, Sutton carried two Ram defenders in the end zone for the last six points.

Northampton refused to falter. With the ball on their one yard-line, they daringly tried a successful halfback pass from deep in the end zone. Tony Edwards found 6'5" end, Jerry Beasley,

downfield for a 22-yard pick-up. But the drive and the hopes of Northampton was corked on Calvin Whedbee's interception in the 4th quarter.

Now, Webster and his ferocious Pirates must turn their attention to next week's big game with conference leader, Murfreesboro. "This could be the turning point for us," stated Webster. "They're big, real tough and real physical. They have a veteran team; most of the starters are returning from last year ... For us to beat them we are going have to play a superb defense."

The game is in Hertford. It is also homecoming for the Pirates and the Homecoming Queens will be crowned at halftime. So, if watching a good football game and lots of pretty girls sounds like an enjoyable way to spend an autumn evening maybe we'll see you at the ballpark. Gametime is 8 p.m.

By NELLIE M. SANDERS,  
Director, Pettigrew Regional Library

**HOOBS**  
**OPEN HOUSE** — Sunday afternoon was a proud occasion for everyone interested in libraries in this area since it marked the official opening of the newly-enlarged and renovated Perquimans County Library in Hertford. It was a thrill for me, especially, since the Perquimans County Board of Commissioners has approved the request by their library board to join the Pettigrew Regional Library. Ironing out all the details of the merger may take a little time, but I don't believe it was premature or inappropriate to celebrate this new instance of multi-county cooperation.

Mrs. John Biggers, the chairman of the Perquimans County Library Board, made a very gracious hostess and she was ably assisted by the other members of the Board. The soon-to-retire librarian, Mrs. Lucy Whedbee, and her co-worker, Mrs. Addie Keegan, were tireless in their duties as guides for the new facilities and seemed to grow more enthusiastic as they described to each new batch of visitors all the additional features on display.

From the improved lighting overhead down to the springy carpeting underfoot, everything looked fresh and new — functional yet eye-pleasing. Room for expansion was apparent on the beautiful new shelves. The wicker furniture and the bean-bag chairs both offer invitations to relax and read while the businesslike study tables have comfortable chairs for the serious researchers. The browser bins for recordings and the spinning rack for new books were most attractive. Altogether, the atmosphere was inviting — just the way a good library should be.

### SCREECHES

**A FEW CHANGES** — Many of the guests at the Open House asked me how the merger would affect the Perquimans County Library. My invariable reply was that we would try to build on the fine foundation to make a good library better. The Plan of Service which the State Library requires has not yet been drawn, but the Chief Consultant Marion Johnson, who represented the State Library at the Open House, agreed in principle with the plans as outlined in the presentation made to the Perquimans County Commissioners.

The services of the staff of the Pettigrew Regional Library, particularly those of the Director, the Children's Coordinator Mary Eileen Bieler and the administrative assistant-bookkeeper Sheila Furlough will be available to the Perquimans County Library. In addition, we are advertising for a professional librarian and for an assistant to work with Mrs. Keegan. As a temporary measure, some of the present staff members from the Shepard-Pruden Memorial Library in Edenton will be assigned to work in Hertford during the transition period. The extra held will allow us to increase the hours of service in the near future.

## Homemakers Meet

The Belvidere Homemakers Club met Tuesday evening with Mrs. Paul Byrum who led the group in devotion by reading Leviticus 25:1-12. Thoughts from the reading and the 200th anniversary of the country's birth were related.

Fourteen members answered roll by telling "an incident when starting school"

Mrs. Paige Underwood gave the program on a new fabric, synthetic suede. Mrs. Underwood suggested the type patterns which could best be used with the fabric and the differences in constructing a garment out of the new material. During the demonstration two finished garments of different types of suede were observed. Also an attractive suit made from suede corduroy was shown and the pattern of choice.

Mrs. Charles Thomas Rogerson Sr., president, presided during the business meeting and reported on the Craftsman's Fair which was held in Elizabeth City with the results of home made ice cream sales on Wednesday from 4-5 p.m.

The light fixture committee gave a report that the lights have been purchased and will be installed in the community building.

It was announced that Dec. 2 from 7:30-10 p.m. and that Dec. 3 from 9 a.m. until 4 p.m. are the dates and times of the annual Christmas Open House. Also the Christmas workshop will be conducted for two days, Nov. 2 and Nov. 3 beginning at 9:30 a.m.

Mrs. Underwood announced a visit scheduled on Oct. 20 when a guest Home Economics Agent from Charlotte, N.C. will be visiting locally to demonstrate foods and small equipment.

Mrs. Rogerson and Mrs. Ellis Winslow shared during show and tell the attractive spice rings which they had made.

Members recorded the monthly events to be filled in the year's score sheet. The sheets are to be completed by the next meeting.

The meeting was closed by the club collect. The next meeting will be held at the home of Mrs. Linwood Twine.

**TOBACCO EXPORTS**  
North Carolina is the largest producer of tobacco and the largest exporter of the crop. Last year, the state shipped \$456 million worth of unmanufactured tobacco, or well over half the entire U.S. total.

TALKING ABOUT IT — Glenn Rogerson (left) is shown with E.S. White discussing proper servicing and maintenance of farm machinery.

## Rogerson Nominated For Prestigious FFA Award

Glenn E. Rogerson of Tyner has been nominated to receive the American Farmer Degree, highest degree presented by the National FFA Organization. Rogerson was nominated for the degree by the North Carolina FFA Association. The nomination was approved at a recent meeting of the National FFA Board of Directors in Alexandria, Va. One of 747 FFA members nominated for the American Farmer Degree, Rogerson will receive the degree in a special ceremony on Thursday, Nov. 11 at Kansas City, Mo. pending a final vote of approval of 119 student delegates representing over half a million FFA members.

During his career in FFA, Rogerson served on several state committees and served as District I president. He participated in many face to face contests. In 1971, he was a member of the State winning Livestock Judging team and in 1973 a member of the State winning Ag. Mechanics team of the Chowan Chapter. Both years the team participated in the National Convention in Kansas City, Mo.

In 1973, Rogerson was named winner of the Dekalb Agricultural Accomplishment Award. He was chosen for the award on the basis of his scholarship, leadership, and supervised farming program.

The American Farmer Degree is a highly coveted award because it is presented to approximately one member in 700 of the 500,385 FFA membership. It is presented only by the National FFA Organization to members who have demonstrated exceptional agricultural and leadership ability.

Rogerson is the son of Mr. and Mrs. Thomas G. Rogerson of Tyner and is currently farming in partnership with his father. He is also the grandson of Mr. and Mrs. W.D. Rogerson of Rt. 2, Hertford.

He earned the American Farmer Degree on the basis of a supervised farming program.

## Senior Citizens Plan Fair Trip

The Perquimans County Senior Citizens will leave Wednesday, Oct. 20 at 8 p.m. to attend and participate in the Senior Citizens Fun Festival at the North Carolina State Fair being held in Raleigh. A bus has been secured to take the senior citizens at a cost of \$6.50 round trip. The bus will leave from the EIC Building in Hertford. Senior Citizens holding permanent identification cards issued previously may use them again for entrance to the fair grounds.

Others may gain admittance through any of the fair's entrance gates upon proof of age. These ID's are good for admission on any day at all future fairs. Those interested in receiving additional information are asked to contact Mrs. R.B. Gibbs

at 426-7429 or Mrs. M.B. Taylor at 426-7679.

Also Mrs. Taylor reminds senior citizens that the demonstration for the October meeting will be "Spice Bag Craft" and members are asked to bring the following items to the meeting: one-half yard of calico fabric, one pair of scissors, one-half yard of yarn, one big head pin, two tablespoons of whole cloves.
