

Scout Leaders Needed

WANTED
Girl Scout Leaders and Assistants. Does your daughter and her friends wish they could be Girl Scouts?

The Girl Scout Program is not a girls' club, it is a program with a purpose based on ideals and a code of conduct. The purpose of the Girl Scout Movement is "Helping Girls Grow" towards becoming self-realized, courageous, compassionate,

concerned and committed mature women.

There are five age levels: Pixie: ages 5 and 6 in Kindergarten; Brownie: ages 7, 8 and 9 in Grades 1, 2 and 3; Junior: ages 10, 11 and 12 in Grades 4, 5 and 6; Cadette: ages 13, 14 and 15 in Grades 7, 8, and 9; Senior: ages 16, 17 and 18 in Grades 10, 11 and 12.

Rules for acceptance and participation in all programs of the Girl Scout council of Greater

Tidewater are the same for everyone without regard to race, color or national origin. Troops needed in all communities in Perquimans County.

Are you interested or do you know someone interested in "Helping Girls Grow" enough to give her time as a Girl Scout Leader.

Training and help available in Hertford, Elizabeth City, and from Council staff in Norfolk. Call 426-5133, Ester Weiner, Perquimans County Recruiter.

Mims Presents Program To BPW

Patrolman Charles Mims was the guest speaker at the monthly meeting of the Hertford Business and Professional Women's Club Thursday night at the home of Mrs. Ann Young.

Speaking on rape, Mims showed a film entitled LADY BEWARE which was narrated by Shirley Jones. The four basics of personal safety were illustrated by using the letters of the word SAFE: "Secure" home and car by having proper locks, etc.; "Avoid" all dangerous places and dress which will tempt an attacker; "Flee" when you sense you are in danger; and, "Engage" your attacker in a fight if he is not armed by screaming, using weapons carried in your purse or hitting in vulnerable places.

Following the film, Mims

demonstrated several simple ways in which a woman can protect herself and urged each woman to keep a plan of action in mind using the four basics of personal safety as illustrated. He stated, "That the key to personal safety is your state of mind and the determination to survive."

During the business meeting presided over by Mrs. Bonnie D. White, president, the club voted to make a donation to the BPW Foundation in memory of Mrs. Dora T. Riddick, voted to join the Museum of the Albemarle and heard committee reports. Mrs. Brenda Hollowell will be in charge of the BPW float in the Christmas parade.

Special guests were Mrs. Freda Nelson and Mrs. Marie S. Elliott.

Farm Programs

The Coastal Plains Area Economics Program of the N.C. Agricultural Extension Service will begin a series of farm management and marketing educational programs on Nov. 4 at 7 p.m. in the Perquimans County Office Building at Hertford.

Clyde R. Weathers, Extension Farm Management Specialist, N.C. State University, will lead the discussion on partial budgeting. Partial budgeting is a farm management tool used to make either-or decisions. Examples of such decisions are whether to sell feeder pigs or top hogs, whether to dry corn or sell field run and whether to purchase new machinery or custom hire.

Steve C. Riddick, Area Management-Marketing Specialist, encourages farm families and agribusinessmen in Chowan, Perquimans and Pasquotank Counties to attend this meeting.

Subscriptions Handled By Office

All subscription renewals and new subscriptions to THE PERQUIMANS WEEKLY are now being handled at the Perquimans Weekly office which is located at the Court House Square in Hertford. It is felt that with additional personnel and office expansion our readers will be served more efficiently in this one-phase manner. County school students will not handle a subscription drive this year.

When a patron's subscription is nearing expiration, a notice is sent as a reminder that a renewal is in order. A second notice is sent during

the week of expiration. The Perquimans Weekly office is open from 9 to 5 (daily) Monday through Thursday and subscriptions may be paid during these hours. Or, they may be mailed to P.O. Box 287, Hertford, at the subscriber's convenience.

It is hoped that this additional personal service will be helpful to THE PERQUIMANS WEEKLY subscribers and patrons and that they will not hesitate to phone (426-5728) or visit the office when service is needed.

I would appreciate your vote and support in the upcoming General Election.

A leader who has an agenda for action.

For the past four years, we have been standing still in North Carolina. We need to be moving forward again.

We need a governor who will provide real leadership. We need a governor with a realistic agenda for action.

Jim Hunt will be that kind of governor. His program is a total commitment to education, to safer communities, and to those measures that will most aid the working men and women of North Carolina.

He knows what needs to be done. And how to do it.

Jim Hunt will get our state moving in a positive new direction. We need his leadership as governor.

Jim Hunt.
