

## Miss Winslow Wins Scholarship

GREENSBORO — Miss Claudia Marie Winslow of Belvidere has been selected to receive a Katharine Smith Reynolds Scholarship to attend the University of North Carolina at Greensboro this fall.

The Reynolds Scholarship winners were announced recently by the UNC-G Competitive Scholarships Committee, which selected 42 recipients from the 94 finalists in the competition. Overall, there were approximately 325 applicants from throughout North Carolina for the awards.

A senior at Perquimans County High School, Miss Winslow is the daughter of Mr. and Mrs. Clifford Winslow of Rt. 1, Belvidere. She is treasurer of the Health Careers Club, a member of the Student Council and business manager of the annual. She is secretary of the Friends Youth Fellowship, a 4-H Club member, and member

of the biology, drama and French clubs.

Additionally, Miss Winslow is a part-time nurses' aid at Albemarle Hospital.

The amount of a Reynolds Scholarship ranges between \$500 and the total amount of money needed by an individual student. In some instances, this can go as high as \$2,200 per year. The scholarships are renewable for three additional years of undergraduate study beyond the freshman year. Thus, over four years the range of a Reynolds Scholarship would be between \$2,000 and \$8,800.

The Reynolds Scholarships were established by the Z. Smith Reynolds Foundation of Winston-Salem in memory of Mrs. Katharine Smith Reynolds, a Woman's College (now UNC-G) alumna, wife of the founder of Reynolds Tobacco Co., and mother of the late R.J. Reynolds Jr.

The winners come from 28 different counties in North Carolina.

The Reynolds Scholarships are open to both males and females who are legal residents of North Carolina. Award winners were selected on the bases of superior academic achievement and potential evidence of moral force of character, qualities of leadership and interest in others — and motivation towards useful purposes in life.

There are currently 102 Reynolds Scholars enrolled at UNC-G.

DARDEN NOMINATED BY WIDE MARGIN: GREGORY, HARRIS, HEFFREN, HARDCASTLE HIGHEST IN PRIMARY: ELECTION TUESDAY: It isn't a record, because it was the first primary, but it is the general consensus of opinion that Monday's vote established a very high mark to aim at in the future town elections. Out of a total of 402 ballots cast, Mayor V.N. Darden reaped 292 for reelection. His only opponent, R.L. Knowles, drew 107. Town Commissioners nominated in the primary were A.W. Hefren, Z.A. Harris, M.J. Gregory, and W.H. Hardecastle. Harris, Hefren and Hardecastle are incumbent members of the board.

BUSINESS FIRMS BEGIN HALF HOLIDAY MAY 4: A petition circulated Wednesday and signed by owners, managers or operators of Hertford's principle business houses, provides for two interesting changes in the annual custom of extending employees a half holiday one day each week during the summer season. The business houses complying

will begin the half holiday closing on Thursday, May 4th giving an added month of Thursday afternoon vacations. The time of closing will be 12 noon instead of 1 p.m. as was the rule heretofore adding an hour to the customary period of closed doors.

BIRTH ANNOUNCEMENT: Born to Mr. and Mrs. Walton Whitehead of Chapanoke, a daughter, Janice Ray, on April 19, 1939.

TRUEBLOOD-BAKER: The marriage of Miss Doris Louise Baker to Nathan N. Trueblood took place Sunday afternoon at 5 p.m. The ceremony was performed by Rev. W.G. Lowe at his home in Winfall with Misses Helen, Margaret, and Evelyn Trueblood and Thomas Nixon as witnesses.

LITTLE GIRL STRUCK BY AUTOMOBILE: Little Martha Lee Tilley, seven year-old daughter of Mr. and Mrs. Thomas Tilley, was struck and painfully injured Monday afternoon. The little girl was riding a bicycle when she was struck by a car driven by Mac Felton. He was arrested and placed under \$100 bond to stand trial on charges of operating an auto with in-

sufficient brakes. Martha Lee was taken to the Hertford clinic following the accident and treated for facial

cuts and a gash under her chin. Several teeth were also knocked loose and her body badly bruised. Follow-

ing treatment, the little girl was returned to her home and at last report, was resting comfortably.

### Remedies that always work

Common sense is a wonderful remedy, when we use it. Take inhalation of poisonous vapors, for instance. No one should risk carbon monoxide poisoning by sitting in a closed car with motor running and a leaky exhaust system. It's just not safe. Another common sense no-no is furniture stripping and refinishing in a poorly ventilated work

room. Read product warnings carefully. Ventilate the room thoroughly. Use a mask. Limit your hours of exposure. And finally, if you are a heavy smoker or already have heart or lung disorders, use your "noodle" and avoid these toxic vapors, altogether.
