# Water Sign-Up

At their October Third meeting the Board of County Commissioners voted to re-open the sign-up period on the Water System. The sign-up period will remain open until Oct. 31.

This sign-up period is for those residents of the county who are on an existing water line. No matter which side of the road the pipe was laid on, if you live on a road where a line has been laid, you are eligible to sign-up now through the end of October.

The sign-up fee is at the original price of a ten dollar deposit upon sign-up with the remaining fifteen dollars due with your first water bill. You can almost be assured this will be the last sign-up period at the low rate for a meter base on the existing lines.

"You may sign up at the Perquimans County Office Building from 8 a.m. to 5 p.m. Monday through Friday. The Office Building is located on U.S. 17 Business South in Hertford," states Richard H. Bryant, County Extension Chairman, Perquimans County.

Mrs. George Drawdy and daughter, Vivian, were in Smithfield last week to visit Mrs. Drawdy's brother, Russell Brown, who has been very ill but is now much improved.

Mr. and Mrs. Charles Phillips travelled to Florence, Ala. last weekend to attend the Delta State University-North Alabama University football game. Their son, Randy, plays

tight end for Delta State. Welcome to Mr. and Mrs. William Pociengel and daughter, Kim, formerly of Norfolk, Va. and now residents of Holiday Island in the former Henry Judge house. The Pociengels moved in Sept. 1 and have been delighted with the friendliness of their new acquaintances in Hertford and Edenton.

The Bethel Homemakers Extension Club will meet next Friday, Oct. 14, at the Community House.

My sincere thanks to Mrs. Elva Harrington who wrote last week's column while I was on a cruise to Bermuda.

# TOPS Organizes Here

A new group in Perquimans County is in its organizing stage. TOPS, an acronym for Take Off Pounds Sensibly has held one meeting and weekly meetings are being planned.

Heading TOPS in this area is Mrs. Jeanne Fielder. Mrs. Fielder pointed out that TOPS is a non-profit organization. She

said its aim is to help the participants take off pounds "the sensible way." The program's basic elements include offering encouragement, understanding and the motivation to lose weight.

TOPS will be meeting every Thursday night at 7:30 p.m. at the Albemarle Electric Membership Corporation (EMC) Building

located on U.S. 17. The first meeting of the group was held last Thursday night.

Mrs. Fielder added that the yearly membership dues of \$9 include the TOPS manual and a monthly magazine for members.

Those interested in obtaining more information on TOPS may contact Mrs. Fielder at 426-7321.

# Rescue Squad News & Notes

By RALPH BARR  
Emergency Medical Technician

I know that many of our citizens here in Perquimans County have observed some of the Rescue Squad members wearing an emblem on their uniform shirts that has EMT on it. I have had a few people ask what it means and I explain it in terms of hours of training and dedication. I recently came upon an article in Emergency Magazine which I believe explains it better than I ever could.

### WHAT IS AN EMT?

The letters EMT stand for Emergency Medical Technician. An EMT is a professional who has been extensively trained, certified and registered by the State to administer expert emergency medical care in the field, regardless of the circumstances of the accident or sudden illness. To put it more directly, the EMT is the individual you observe entering into the twisted and tangled remains of what once was an automobile (on a rainswept highway at two o'clock in the morning), in an effort to save the lives and reduce the injuries of the victims involved, until they can be safely turned over to the nearest hospital emergency room. The EMT is the same professional you see bent over the stricken victim of a heart attack, administering mouth-to-mouth resuscitation and closed heart compression in a dedicated effort to save a life.

You'll rarely meet the EMT under normal circumstances. You'll only see him in action in situations you wish would never have happened. He is summoned to perform his job in all kinds of weather, at any time of the day or night, any place, for human beings of all colors and races. It can be dry, wet, muddy or generally poor, it doesn't matter. The accident site may be a paved highway, a quarry pit filled with water, the beach, a river, a canal, a crushed vehicle, a crashed airplane, a wrecked passenger train, a tornado or hurricane swept area, a collapsed building, a flash flood area, the scene of a large fire or even the bedroom or bathroom of a modern, beautiful home. It really doesn't matter, the EMT will be there.

The EMT is trained to be calm, even under the most trying circumstances. He is trained to perform expert emergency medical care without the benefit of a modern, well-equipped emergency room at his fingertips and without the help of a battery of nurses and orderlies to perform support as he administers lifesaving care.

### CARD of THANKS

We, the family of Lucille Wilhams, wish to take this means to express our sincere thanks to each and everyone who remembered us in any way during the illness and death of our loved one.

For the beautiful flowers, cards, gifts, visits and prayers and all other acts of kindness shown, we are deeply grateful.
