## ECSU Receives Art

By FRANCINE SAWYER-WHITE

R.E. Duke, French instructor at Elizabeth City State University has contributed a vast personal collection of art prints to the university. "I want these prints to belong to the entire university family in order that humanity at large may enjoy them throughout the years to come," Duke said.

The prints, many of them scenes of France, are done up handsomely in black frames. A number of art pieces were gifts from Elizabeth City residents. Miss Emily Jackson, a math teacher at Elizabeth City Jr. High, gave Duke a quantity of the French scenes. Some are framed

covers from the Paris magazine "Match".

Also in the collection is an original by the well-known artist Maxine Ferrell Sweeney. Ms. Sweeney does a variety of art work and has just completed a portrait of Judge Bradford Tillery, superior court judge from Wilmington. She has a portrait studio behind her home. Her addition to the university collection is called "Bongo Drums".

Dr. Louis V. Nadeau, philosophy instructor at ECSU also bestowed Duke with a reproduction of Notre Dame, which is in the collection.

Mrs. James Alan (Peggy) Duke, Duke's sister-in-law, did a sketch

of botanical nature which is included.

Dr. Marion D. Thorpe, chancellor of ECSU accepted the gifts on behalf of the university. He had this to say, "I consider this a single occasion and honor for the university both from the aesthetic value of the paintings and particularly from the standpoint of a devoted faculty member concerned with the overall culture of the university and I give to Mr. Ed Duke a personal 'thank you'."

Duke is in his 14th year with the university.

Before the display is hung in various buildings about the campus, the collection will be shown at the Museum of the Albemarle, on U.S. 17 South, at the latter part of the week for public viewing.

## Pirates Hold Weldon

By BILLY WOOTEN

The Perquimans High Pirates, mixing a strong running attack with two touchdowns tossed by Marvin Hunter, whipped host Weldon, 39-22, in a State 2-A playoff game last Friday night. The local boys advance to the State 2-A quarter finals next Friday night, playing the Comets of Clayton in Clayton.

Perquimans had little trouble with Weldon after the first quarter, as the Pirates were just too quick and fast for the slower Weldon boys.

Perquimans fell behind, 16-14 early in the second quarter, as Weldon scored on two touchdown passes, but this did not hold up as the Pirates regained the

lead 20-16 on a 28 yard run by Mike Flythe. Moments later, Weldon fumbled and the Pirates drove for another score, which came on a 27 yard pass from Marvin Hunter to Carl Zachary. Perquimans led 26-16 at halftime.

The Pirates received the second half kickoff and drove to another score. Flythe climaxed an eight play, 55 yard drive by scooting in from the eight. The kick failed and the locals led 32-16. The Pirates then finished their scoring, with Charlie Sutton rambling 57 yards. The kick was good, leaving the Pirates up, 39-16.

Weldon scored once more, but found themselves too far behind to catch up.

Flythe finished the game with 184 yards on 13 carries. Sutton gathered 139 yards on 13 carries.

The Pirates travel to Clayton tomorrow night to meet the high flying Comets.

Clayton won the capital Area 2-A Conference with a record of 6-0. They defeated Fuguay-Varina 24-16 in overtime to win the title in the last game of the season. Their overall record is 10-1 with one victory over Triangle 3-A winner, East Wake, 14-12. They beat Franklinton last week 32-22, in the opening round of the playoffs. Franklinton was 10-0 and was the champs of the Tar River Conference. Franklinton had been favored to beat Clayton. Game time tomorrow night is 8 p.m.

## THANKS

We would like to thank everyone who supported and voted for the School Bond Referendum on November 8.

Our committee was formed for the sole purpose of getting the correct facts before the voters. We feel in this we were successful since many people in the county have become more aware of the problems and the needs of our schools. And, this is good!

We particularly want to thank our School Board, and our superintendent, Pat Harrell, for their untiring work, the Perquimans County Jaycees who endorsed the referendum as an organization, the individual members of the Jaycees and Jayettes and the many others who gave of their time.

"Where Service Is A Pleasure"

THE BEST IN USED CARS

Phone: 426-5661

Of all the things you have only your telephone is guaranteed forever.

RELIABLE telephone service, perhaps more than any other thing in the pattern of American life, is too often taken for granted.

Two kinds of service keep your telephone working . . . day after day after day. One carries your calls to virtually any number anywhere in the world. The other maintains, repairs and expands "your" telephone system.

Doesn't it make sense, then, to expect the best of either kind of service from people who provide both kinds?

Your telephone: it works, and works, and works. If it doesn't work, we fix it, at no additional cost.
