**LOCAL PEOPLE TO ATTEND ANNIVERSARY SERVICE OF BISHOP:** A special service will be held, commemorating the 25th anniversary of the consecration of the Rt. Rev. Thomas Campbell Darst, D.D., Bishop of the Diocese of East Carolina, at the Diocesan Convention to be held in Wilmington Jan. 23-25. Among the Hertford people expected to attend are Mrs. W.H. Hudson, Mrs. L.W. Anderson and Mrs. C.A. Davenport. These three have been appointed delegates from St. Catherine's Auxiliary.

**STATE PROPOSES TO RE-ROUTE HIGHWAY NUMBER SEVENTEEN:** A map showing the proposed rerouting of U.S. Highway 17, beginning a mile north of the Town of Hertford, which will cut the Town of Winfall completely off Highway 17 was posted by the State Highway and Public Works Commission at the Courthouse door Tuesday morning. Already there has naturally been a storm of protest from those who feel that the Town of Winfall should not be cut off from the Highway, but there are many who have expressed the opinion that some such step is necessary on the part of the Highway Commission in order to eliminate the sharp curve in Winfall.

**MORE FOR THE MONEY**  
When buying meat products, consider the amount of lean meat in a cut as well as the price per pound. A relatively high-priced cut with little or no waste may provide more meat for your money than a low-priced cut with a great deal of bone, gristle or fat.

**SAVE CANNED LIQUIDS**  
Don't waste the syrup or liquid from canned fruits. You can add the liquids to gelatin salads or desserts without adding too much sweetness.

**BIRTH ANNOUNCEMENT:** Mr. and Mrs. J.A. Lane announce the birth of a daughter Peggy Louise Lane on Jan. 15, 1940.

**STORING SUNBEAMS TO HEAT HOMES:** A practical method of capturing solar radiation that can be held and redistributed has been claimed by a well-known scientist.

**LOCAL BOY RELATES EXPERIENCE WITH ARMY AIR CORPS:** Marion Riddick, whose term of enlistment in the U.S. Army Air Corps expired on Jan. 11 and who returned home last week, talks interestingly of his life during the past two and a half years. He wouldn't, he says, take any thing for the experience but that, after all, he has seen no place he liked so much as he likes the old home town. Mr. Riddick, eldest son of Cashier R.M. Riddick of Hertford Banking Co. and Mrs. Riddick, had three years in college followed by some business experience when he decided to enter the Army Air Corps. Though the work was interesting and Marion is enthusiastic about his experiences, he did not care to reenlist, having other plans for his life work.

**ACCEPTS NEW POSITION AT BLANCHARD'S STORE:** Louis Nachman Jr. assumed the duties of his new position at the store of J.C. Blanchard & Company this week. Mr.

**STAIN REMOVAL KIT**  
Put together a stain removal kit including such stain removers as alcohol, ammonia, glycerine, dry cleaning fluid, rust remover and vinegar plus sponges and brushes for application and a measuring cup and spoon. Store in the laundry area near other supplies needed such as bleach and detergents.

**CHECK DATES**  
When buying food, check the date if its perishable. Be sure you can use all of it before it spoils.

Nachman succeeds E.L. Laughinghouse, who recently accepted a position at the J.H. Holmes Co. in Edenton. Kermit Kirby

has accepted a position at the Hertford Hardware & Supply Co., he was been employed for a number of years at the Central Grocery Co.

## Your Pharmacist Charles Woodard Says

Woodard's Pharmacy, 101 N. Church Street, Hertford, N.C. Tel. 426-5527

## Walking on eggs, or on thin ice

When the experts can't agree whether a drug should be sold over-the-counter (OTC), or by prescription only, the patient selecting medication for himself must wonder whether he's walking on eggs, or on thin ice.

Think about it. A drug is a drug. The only difference being one of degree.

Doesn't it make sense, then, to purchase your OTC drugs at a pharmacy

where a professional pharmacist is available full time, to answer your questions, to recommend the best drug, to explain its storage and its use and to supply you with proper warnings where potential dangers may be indicated? You may save yourself some physical discomfort as well as find a less expensive remedy for your condition — all by trusting your personal pharmacist.
