

WE PROUDLY SALUTE ALL THE VOLUNTEER FIREMEN OF PERQUIMANS COUNTY DURING NATIONAL FIRE PREVENTION WEEK

OCTOBER 8-14TH

STOP FIRES

PREVENT FIRES

CHECK FOR DEFECTIVE WIRING

Today's lifestyle of comfortable living provides many areas in the home that should be carefully checked for worn or frayed wiring. The electrical input must be sufficient for the number of appliances, air conditioning units, etc., in use. No octopus extensions should be used in your home.

PREVENT FIRES

KEEP MATCHES OUT OF CHILDREN'S HANDS

Smoking in bed is inviting disaster. When using cleaning fluids, paint remover and other flammable chemicals, don't smoke or stand close to an open flame.

PREVENT FIRES

RUBBISH AND LITTER ARE FIRE STARTERS

Home fires are commonly known to start in littered closets and attics. Rubbish piles in cellars and garages are a fire source that can be avoided.

FOR THE GOOD OF US ALL... we urge you to observe fire safety practices all year 'round. Each of us owes it to ourselves, our

families, our communities, to reduce the threat of fire with its resulting destruction, tragedy and heartache.

Your Long Hours Of Service To Our Community Are Not Forgotten
