

Recreational meeting held

The Northeastern North Carolina Recreation Directors Quarterly Meeting was held last Wednesday, November 15, at the Knobb's Creek Recreation Center in Elizabeth City. Hosting this meeting were: Billy Wooten, Director of the Perquimans County Parks and Recreation Department; Jerry Allen, Director of the Elizabeth City Parks and Recreation

Department; and Mike Johnson, Director of the Edenton-Chowan Recreation Department. Recreation was a tap for the morning session as the directors and their guests played a Par 3 Golf Tournament on the Elizabeth City Parks and Recreation golf course. Winners were Eddie Beach, Recreation Director of Williamston, and Duncan Carlton, Recreation Asst. Director of Kinston. Following the golf, a delicious meal was served the directors by the Memory Lane Senior Citizens Club of Perquimans County. Jerry Allen then showed slides of his department, explaining operating procedures, funding programs, community center rules, and maintenance problems.

LOCAL MEN INJURED IN CAR COLLISION: E.Q. White and Charlie Umphlett were injured in an automobile collision which occurred about 9 miles from Deep Creek, at 1:30 Wednesday afternoon. The local men were on their way to Norfolk when their car collided with another being driven by a Virginia man whose name was not known at the time of this writing. All occupants of both cars were injured and police have called for a hearing to be held next week to determine the fault of the accident.

BIRTH ANNOUNCEMENT: Mr. and Mrs. L.C. Mann of Norfolk wish to announce the birth of a daughter, Sara Ruth, born October 17, at General Hospital. Mrs. Mann is the former Ruth Gilliam Thatch, of Hertford.

BIRTH ANNOUNCEMENT: Mr. and Mrs. Dick Evans of Elkin, N.C., announce the birth of a son, born

Sunday, November 10. Mrs. Evans is the former Miss Edna Ruth Cannon formerly of Hertford.

LOCAL STORE MAKING DRIVE ON OLD LAMPS: Gregory's 5, 10 and 25 cent store is making a drive to place new up-to-date lamps into many homes in the county. A liberal allowance is being made on any old lamp traded for lamps handled by the local store.

DWELLING BURNED: Mr. and Mrs. Josiah Proctor of Burgess, had the misfortune of losing their residence by fire Wednesday afternoon. They were unable to save any clothing or furniture.

BLANCHARD-WHITE: A wedding of wide interest took place last Saturday afternoon when Miss Marjorie White, daughter of Mr. and Mrs. Wayland White, of Belvidere, became the bride of Sidney Blanchard, son of Mrs. Lusius Blanchard of Elizabeth City. The ceremony was performed by the Rev. J.C. Trivette, Belvidere, and was attended by friends of the couple. After a short wedding trip, the couple returned to Hertford and are home in an apartment on Grubb Street.

AVOID LEMONS
Avoid buying lemons with bruised, bumpy, or wrinkled skins. This means they are old, badly stored, or a lower grade.

WATCH THE LABELS
Check garment labels for fiber content before bleaching washable items. Liquid chlorine bleach can be used on white and most colorfast fabrics as well as all man-made fibers, except spandex. It cannot be used on wool, mohair or silk.

NO ADDED FAT
Lamb cuts, with a considerable amount of fat, that are not breaded or floured can be browned without added fat.
