Riddick Grove plans service

Riddick Grove Baptist Church will have 100 women in white and 100 men in colors Sunday, June 24 at 5 p.m. The public is invited to attend.

County schools benefit from budget growth

Public school students and employees in the Perquimans schools will begin the 1979-80 school year with optimism as the results of gains noted in the 1979 General Assembly. That North Carolina legislative body, criticized in some quarters, praised in others, approved programs in the expansion budget amounting to over \$136 million for each year of the biennium. These funds will go to expand ongoing programs, reduce class size, and improve instruction.

State Superintendent Craig Phillips praised the work of the General Assembly and the efforts of Vernon James of Elizabeth City and Charles Evans of Nags Head for their roles in the important Appropriations and Education Committees. Dr. Phillips, in assessing the gains made in public education, said that despite some disappointments, this year's Legislature seemed genuinely "sincere in their concerns about improving education in North Carolina's public schools."

The 1979 General Assembly looked at almost 2,500 bills including over 1,100 the final week of the Session. Many of the bills directly affected education.

Council president to attend meeting

Jeffrey Vaughn, a student Council President representative at Perquimans High School, is one of 1,300 student council leaders selected to attend the 43rd Annual National Conference of the National Association of Student Councils and Student Activity Advisers, to be held June 24-28 at Winter Park, Florida.

Delegates to the Conference represent every state, the U.S. territories, and several foreign countries. The Conference theme, "Student Leaders: Showing the Way," will guide delegates' participation in challenging sessions on educational, leadership, and social issues.

Winter Park High School in Winter Park, Fla., is host for the 1979 edition of this nationally-known leadership conference, in which students and advisers share ideas with each other and with experts in education, youth issues, and government. As sidelights, delegates will visit Disneyworld and Seaworld in Orlando.

Jeffrey Vaughn, son of Rev. and Mrs. Willie Vaughn, of Rt. 1, is a Junior at Perquimans High School.

The student council and student activity adviser associations are sponsored by the National Association of Secondary School Principals, a 36,000-member professional association of school administrators, headquartered at Reston, Va., just outside the nation's capital.

Flythe picked for all-star game

The North Carolina Jaycees announced today that their 1979 Boys Home All-Star Football Game will be held in Raleigh on July 14. This year will mark the 17th consecutive annual battle between North Carolina's most outstanding high school football players. Sixty-six players and fourteen cheerleaders will be honored from over 300 nominations.

Perquimans County High Schools' Mike Flythe has been picked to play on the North squad. Flythe was a running and defensive back for the Pirates.

Ron Krall from High Point Central and Ray Durham from Jacksonville will coach the North and South teams respectively.

Net proceeds from the game go to the Boys Homes of North Carolina.

Festival to liven weekend in E.C.

Beginning with a chicken fry on Friday morning, and ending with a family outing in the park on Sunday afternoon, this weekend's Potato Festival, sponsored by the Elizabeth City Area Chamber of Commerce has events to meet everyone's interests.

Highlights of the festival in Elizabeth City include a concert by the Continental Army Band on Friday evening in the S.L. Sheep Auditorium at 7:30; the Potato Mile Run, beginning Saturday morning at 10 a.m.; the VIP Potato Peeling Contest at 11 a.m., featuring a team of county commissioners versus a team of mayors from a seven county area; and the Family Outing from 1-5 p.m. on Sunday at the recreational area of Roanoke Bible College on Poindexter Street.

Athletics will have their place, as a par three superbowl golf tournament will take place, along with a tennis tournament and a women's softball tournament.

County residents receive awards
