

# Miller awarded plaque

Mrs. Minnie Miller was presented a plaque for 25 years perfect attendance by the American Legion Auxiliary of the William Paul Stallings Post No. 126 at their June meeting. Mrs. Miller is a charter member of the auxiliary and has served as corresponding secretary for the entire 25 years. She is the wife of Tommy Miller and they reside at 243 Woodland Circle, Hertford.

## Pvt. Jordan In Service

Marine Private Otis A. Jordan Jr., son of John F. and Aireem Rountree of Rt. 1, Box 46-A, Tyner, N.C., has completed the infantry combat training course at the Marine Corps Base, located at Camp Pendleton, Calif.

During the six-week course, he received classroom instruction and participated in field exercises involving infantry tactics; the construction and camouflage of fighting positions; and the use of mines, demolitions and intra-company communications equipment. His specialized training centered on the operation, employment and maintenance of 60mm and 81mm mortars.

He joined the Marine Corps in November 1978.

## Pvt. Weaver

Meritorious service at Upper Heford RAF Station, England, has earned the third award of the U.S. Air Force Commendation Medal for Staff Sergeant Charles E. Weaver, son of Mr. and Mrs. Ellis F. Weaver of Rt. 4, Hertford, N.C.

Sergeant Weaver, an imagery interpretation supervisor, was presented the medal at Shaw AFB, S.C., where he now serves with a Unit of the Tactical Air Command.

The sergeant is a 1966 graduate of Perquimans County High School and attended the College of the Albemarle, Elizabeth City.

## Sgt. Morris

Jerry D. Morris, whose wife, Goldie, lives in Tyner, N.C., recently was promoted to Army Sergeant while serving as a mechanic with the 5th Infantry division at Fort Polk, La.

He entered the army in August 1975.

Morris attended College of the Albemarle, Elizabeth City, N.C. His parents, Mr. and Mrs. Thomas N. Morris, live on Route 3, Edenton, N.C.

# Extension News

By Mrs. Paige L. Underwood

Today with more leisure time and easy mobility, we can all enjoy a greater variety of activities. Free moments are spent relaxing, unwinding and getting away! And whether getting "away" means a long weekend, a few weeks, or even a whole season, a versatile, packable, functional wardrobe is needed.

A getaway wardrobe is one which gives a maximum number of changes.

Since cotton is synonymous with softness, durability, and in the case of Natural Blend fabrics, easy care, there is nothing more desirable for your active vacation wardrobe. Select versatile kints that can roll up in your suitcase, hang out in your closet, wash in your hotel room; include poplins that move easily from sightseeing to air travel; choose gauzes in fun-brights that are as much at home in the hills of San Francisco as on the Waikiki.

To get things organized, think through what kind of vacation you're taking and what type of activities you'll be enjoying. For example, if you plan to spend your time on a golf course, your clothes will be different than if you had planned to "do the museums."

Don't burden yourself with extra clothes (or a suitcase packed so sparingly you have no variety), build your wardrobe around a color theme. Your wardrobe will work effectively by color coordinating each piece or outfit thereby integrating sportswear, special daytime and evening looks.

Specifically, the ideal vacation wardrobe includes a lightweight raincoat for any changeable climate. Sportswear will work magic almost anywhere by inter-coordinating with other sportswear separates and dresses, thus expanding the versatility of a compact getaway wardrobe. Evening separates will work for theatre, dinner, and/or dancing. With different accessories, they can even go pool side.

It's a natural for everyone to enjoy the carefree life and the carefree living that's so much a part of Cotton! With the help of wardrobe planning you're ready for a fun-filled, carefree getaway!

It sounds easy, doesn't it? Good luck!

## Appreciation service scheduled

An Appreciation Service for Mrs. M.B. Taylor, in recognition of 30 years of meritorious service as Home Economics Extension Agent in Perquimans County, will be held Saturday, June 30, 1979, at Perquimans County High School Auditorium, Hertford, N.C. at 3:00 p.m. Reception will follow in the school gymnasium. The public is invited to attend.

## AME Zion church will observe youth day Sunday

Bay Branch A.M.E. Zion Church will observe Youth Day Service at 11:30 a.m. June 24.

George Johnson of Tappahannock, Va. will be the guest speaker.

Johnson is a graduate of Perquimans County public schools. After graduation from high school, he went on to continue his education at Elizabeth City State University where he received his B.S. degree.

Where upon graduation, he took a teaching position at Essex High School. He attended the Virginia Commonwealth University where he received his Masters degree in Education. He is presently assistant principal at Tappahannock Elementary School.

He is married to the former Doris Hunter of Belvidere. They have four children, Steven, Cynthia, Mike and Yolonda.

**BAZAAR** — Mrs. Jesse Harris displays handiwork of the women of the United Methodist Church of Hertford. The items will be sold at the annual church bazaar held in November. Mrs. Harris credits Mrs. Keith Haskett with the doll handiwork. The ladies of the church meet each Wednesday to work on quilts. (This picture appeared in last week's edition without explanation.) (Staff photo by Jack Grove).

## Local members attend BPW

Ellie Vickers, Bonnie White and Linda Grieve of the Hertford BPW Club were delegates to the 60th Annual State Convention June 8-11, held in the "Land of the Sky" in Asheville, N.C.

The purpose of the State Convention is to receive reports of the officers and chairmen of the preceding year; act on resolutions, elect officers for the '79-80 year; consider proposed changes in national by-laws and study the national program for the ensuing year.

Piilani C. Desha of Hilo, Hawaii, the Immediate Past National President of the National Federation of Business and Professional Women's Club Inc., was a guest at State Convention. Mrs. Desha has led the BPW Federation of 170,000 working women in the 50 states, the District of Columbia, Puerto Rico and the Virgin Islands through its 59th year.

North Carolina has 97 BPW Clubs with a total of 4,147 members. The

objectives of BPW are: to elevate the standards for women in business and in the professions; to promote the interests of business and professional women; to bring about a spirit of cooperation among business and professional women of the United States; to extend opportunities to business and professional women through education along lines of industrial, scientific and vocational activities.

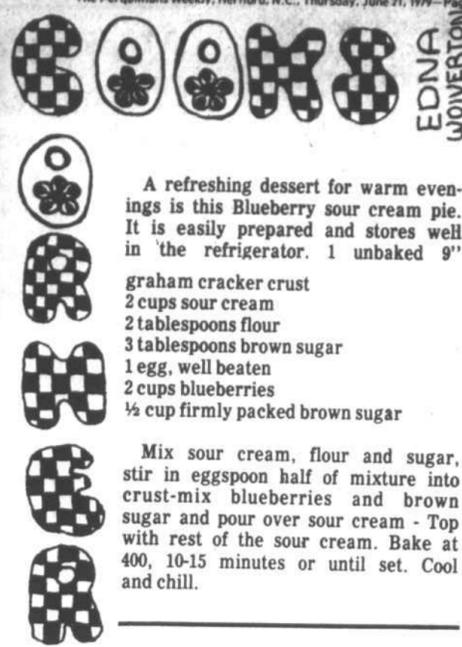

Workshops were held for the benefit of Club Presidents, Vice-Presidents, Finance Chairmen, Membership, Young Careerist, Legislation, Public Relations and Foundation Chairmen.

One of the many highlights of the State Convention is the Young Careerist Program. North Carolina is divided into 12 districts, each district being represented by young women between the ages of 21-30. Each young careerist competes by giving a speech pertaining to their careers and goals.

## CARD OF THANKS

We would like to take this opportunity to thank each individual who helped to make Perquimans County Band Day a success. Your continued support of all the Band activities will be greatly appreciated.

Perq. Co. Band Boosters Club

EDNA J. WOVINGTON

A refreshing dessert for warm evenings is this Blueberry sour cream pie. It is easily prepared and stores well in the refrigerator. 1 unbaked 9"

- 1 graham cracker crust
- 2 cups sour cream
- 2 tablespoons flour
- 3 tablespoons brown sugar
- 1 egg, well beaten
- 2 cups blueberries
- 1/2 cup firmly packed brown sugar

Mix sour cream, flour and sugar, stir in eggspoon half of mixture into crust-mix blueberries and brown sugar and pour over sour cream - Top with rest of the sour cream. Bake at 400, 10-15 minutes or until set. Cool and chill.

## Bateman receives NCSU directorship

Dr. Durward F. Bateman, chairman of the Department of Plant Pathology at Cornell University, has been selected to succeed Dr. Kenneth R. Keller as director of the North Carolina Agricultural Research Service and associate dean of Carolina Agriculture and Life Sciences at North Carolina State University. The appointment is effective August 1.

Bateman, 45, grew up on a farm near Tyner in Chowan County and received his B.S. degree with honors in botany from N.C.S.U. in 1956. His M.S. and Ph.D., both in plant pathology, are from Cornell, where he has been on the faculty since 1960.

Dr. and Mrs. Bateman, the former Shirley Byrum, have three daughters.

## Winslow takes medal

Michael Winslow, a native of Hertford, was awarded two silver medals at the 1979 One Show for his work on the current travel advertising campaign for the State of North Carolina and for a trade ad for Beatrice Foods of Pittsburg, Pa.

These were Mr. Winslow's third and fourth One Show Awards. He won a silver medal in 1975 and a Gold Medal in 1978.

Mr. Winslow is employed as an art director with McKinney, Silver and Rockett in Raleigh.

He, his wife, Linda, and their twenty-month-old daughter Emily Claire live in Cary, North Carolina.

He is the son of Mr. and Mrs. John Newby Winslow of Rt. 2, Hertford.

**JOINS STAFF** — Dr. J.M. Vagell, formerly of New Jersey will begin his practice at the Chowan Medical Center on July 1. Dr. Vagell will be joined by his wife and four children.

## Complete your crop fertility program with the complete foliar fertilizer...FOLIAN

Soil-applied fertilizer alone may not supply all the nutrients your crop needs to achieve the highest yields possible. No matter how well you fertilized in the spring.

An application of FOLIAN foliar fertilizer during early grain or fruit-filling stages of most crops can increase yields over and above what's possible with conventional soil-applied fertilizer.

FOLIAN completes your fertility program with a balanced N-P-K-S formula that is safe to crop foliage when used as directed. And it does it at a cost that can provide an attractive return on your investment.

Now's the time to see us for an application of FOLIAN. Drop in today and we'll show you how to get started on the road to the best yields possible...with FOLIAN.
