Food show and tasting tour is held by extension service

The Second Food Show and Tasting Tour sponsored by the Perquimans County Extension Homemakers and Agricultural Extension Service was held June 7, at the Perquimans County Office Building.

The purpose of the event was to share nutritious and economical dishes featuring new ideas, combination of foods, and wide variety

of foods in order to encourage youth and adults to think "Good Nutrition".

Recipes which had been tested and recommended by the Extension Homemakers were available in a recipe booklet.

Categories included beverages, breads, desserts, meats, salads, and vegetables. A few of the recipes were:

Nutritious Double Nut Bread featuring peanuts by Mrs. Donald Madre, Cheesy Onion Corn Bread by Mrs. Iseta Hollowell, Chocolate Syrup Cake by Belvidere Club, Strawberry Pie by Mrs. Fannie Leigh, Beef and Cheese Casserole by Mrs. Barbara Rose, Hot Chicken Salad by Belvidere Club and Chicken a La King by Mrs. Mattie Whidbee, Cranberry Salad by Mrs. Hollis Williams and Copper Pennies by Mrs. Fannie Leigh.

The planning committee consisting of Mrs. Donald Madre, Chairman; Mrs. Mattie Whidbee, Mrs. Eva Hurdle, and Mrs. Ruben Knopf declared the foods delicious and the tasting a treat.

Mrs. Paige Underwood and Mrs. M.B. Taylor, Home Economics Extension Agents served as advisors for the event.

UGLY SCENE OF THE WEEK - Broken windows on the outside are only a symptom of the disrepair of this building in the middle of Hertford. It is the old John Deere building next to the courthouse. The building was purchased by the county last fall and has been used for storage since then. There are also leaks in the roof causing interior damage. One door stands ajar on the north side of the building. It seems to us to be poor economics to allow this deterioration in county property.

In the average 162-pound man, 43 percent of his weight is muscle; 14 percent fat; 14 percent bone and marrow.

Music classes set

Want to learn to play a stringed instrument? Clayton Morrisette, director of continuing education at College of the Albemarle, said today that area residents can put their interest into practice when Clayton Sawyer teaches his course, "String Instrument Theory," beginning on Friday, June 15.

Sawyer, a well-known local musician, will hold classes each Friday evening from 7 until 10 p.m. at his music company which is located at 1126 West Main Street. The course will deal with the fundamentals of the guitar.

The students will learn to properly tune their instruments, and to play scales. As the class progresses, Sawyer said a series of exercises will be practiced.

The tuition fee for the course is \$5. Individuals are requested to have their Social Security numbers available for registration during the first two class periods.

Mrs. Williams is honored

Mrs. Myrtle Williams, ESEA Title I Aide retired this year after 21 years in Perquimans County schools. She was feted with a retirement party sponsored by her co-workers at Perquimans Central School. She was honored with a silver tray.
