

Pirate Jayvees champs again

The Perquimans High School Jayvee Basketball Team roared to their second straight conference title after thumping both Gumberry and Currituck in tournament action this weekend for a spotless conference 11-0 mark (15-1 overall).

In the tournament opener Thursday night, Perquimans completely dominated Gumberry, 95-29.

"The team just looked super quick," commented coach

Pete Hunter following the impressive victory.

Perquimans jumped out to a 22-5 first quarter lead that set the scene for the rest of the contest. Gumberry scored on one point in the entire fourth quarter.

Troy Jackson came one point shy of the Gumberry team total, capturing Pirate scoring honors with 28 points.

Robert Mallory contributed 16 points to the cause, Nate Carson added 12, Donnie Parker 12, Melvin Coston 11,

Craig Perry 10, James Riddick 4, and George Barnett 2 to round out the Pirate effort.

In the championship game, although playing with an injury hobbled Robert Mallory, the Pirates still managed to defeat Currituck by a handy margin, 74-63.

Hunter said his teams offensive attack was slowed a little because of the underpar Mallory, who fell and injured his right ankle in the Gumberry game.

This time, Jackson poured in 32 points, and grabbed 19 rebounds in a tremendous individual performance. Parker added 18 points and 5 rebounds, Mallory had 8 points, Carson scored 7 points and snatched off 8 rebounds, as did Riddick. Craig Perry scored only one point but blocked five shots, and Melvin Coston added a point.

Hunter said he has been pleased with the togetherness and team play of his squad during the entire season, and especially during the tournament.

"This team had more team effort and more fight than any team I have ever coached," he said. "The young men had a lot of character on and off the floor."

5'10" freshman Jackson averaged more than 19 points per game for the Pirates during the season, followed by sophomore Mallory who scored at just under 14 points per game.

The 22 member PHS chapter consists of those students preparing for careers in business. The club offers a supplement to classroom training by providing students an opportunity to lead and participate in group discussions, preside at meetings and conferences, enter competitive events, and develop confidence in their own abilities.

Among activities Perquimans High FBLA members have participated in are: attendance in district and state leadership conferences, donation of blood through the Red Cross, the compilation of a FBLA scrapbook, and several fund-raising projects.

Sixteen active FBLA chapters were represented in the eleven competitive events. According to Ms. Stallings, these events provide members and advisers an opportunity to

Varsity falls in tourney

The Perquimans Pirates captured a four point halftime lead, but were unable to hold on as Currituck defeated them 79-63 in Albemarle 2-A Conference Tournament action Thursday night at Currituck.

A strong defensive effort

and consistent shooting kept Perquimans ahead of a tough Currituck squad in the early goings, but a spread offense and a stiffened defense turned the tables on the Pirates in the second half.

George Jackson and Mike

Holley contributed 12 points each for the Pirates.

Currituck avenged an earlier loss to Gumberry to take the conference title on Saturday night.

Tigers end on bright note

The Perquimans Union Tigers defeated Manteo last Tuesday, 32-28, to finish up their season with an even overall mark at 5-5.

Rodney Gordon and Norman Mallory had 10 points

each in the loss, and Milton Stepney added 6.

Coach Billy Stallings labeled the season a good one for the Tigers. "With a bounce here and a bounce there we could have been 8-2," he said.

The Tiger girls also ended the season on a winning note, defeating Manteo, 23-11. Vanessa Whedbee scored 12 points and Nadine Johnson added 5 for the Lady Tigers. Their final record was 2-8.
