You've got your own butcher at Big Star.

We cut as you need it, so the meat's fresh, tender and bright. You have lots of choice, but our meat doesn't sit and sit and wait for you. We're proud of our meat. It's as close to the range as we can get. In fact, we date it for freshness; look on your package. Your butcher is right there to help. He'll advise and counsel with you, fill your order, large or small.
