

Pirates hold their number six ranking

The Perquimans Pirates were ranked number six in eastern North Carolina this week following victories over Manteo and Murfreesboro last week.

The Pirates rallied in the second half of both games, defeating the Redskins 86-57 and the Raiders 79-73 in double overtime.

The Lady Pirates lost to Manteo in overtime, 50-47, while the jayvees breezed past the Redskins, 78-46.

Sixth in the east last week, Perquimans (13-4, 5-1 in conference) is still ahead of Currituck in the polls, though the conference-leading Knights (11-3, 6-0 in conference) beat the Pirates three weeks ago.

Perquimans will have a showdown with Currituck tomorrow night at PCHS.

As in the first game against Manteo, the Redskins didn't give Perquimans a chance to break the game open during the first half. But Manteo went

flat at the opening of the third quarter and the Pirates waltzed by them.

Manteo led in the first quarter, 19-13, Brad Frierson scored eight points for the Pirates. Ten points by Robert Mallory in the second quarter gave Perquimans the lead, 36-30, at the half.

The Pirates then put on their best show of the season in the third quarter, by scoring on every trip downcourt except one, and forcing six Redskin turnovers. Going into the fourth quarter, Perquimans had broke the game open, 65-41.

Every player but one scored for PCHS. James Riddick had one of his best games this season, scoring 15 points, with three blocked shots and two steals. But the best performance of the game goes to Charles Leigh, who filled in underneath, scoring his season-high 12 points and grabbing 12 rebounds.

Mallory led the scoring again with 21 points, Frierson scored 12 with five rebounds, Ronnie Ferebee eight points and eight rebounds, freshman Teton Reid had six points, Ricky Humphrey four, Melvin Coston three, Willie Vaughan two, and Donnie Parker one. The Pirates hit 24 of 41 shots from the floor, or 60 percent.

Against Murfreesboro, Perquimans played three poor quarters — "one of our worst games this year," said coach Calvin Webster — then rallied in the fourth quarter and the following two overtime periods.

Mallory had a season-high 31 points, but shot poorly in the first three quarters, hitting 5-of-13. The Raiders led 17-9 at the end of the first quarter, and 35-27 at the half.

Murfreesboro upped its lead to 12, 50-38, going into the fourth quarter, and it looked as if they might walked away with it, but Perquimans out-scored them 24 to 12 in the final quarter, tying the game and sending it into overtime.

The game was tied 68-all with six seconds left when Perquimans missed a last shot, sending the game into a second overtime, where the Pirates took a five-point lead and hung on to win.

Mallory scored seven points in the second overtime, and 12 points in the fourth quarter. Troy Jackson scored 19 points for the night, Coston nine, Riddick six, Leigh five, Parker and Ferebee four, and Frierson one.

The Lady Pirates have lost all but one of the games this season by less

than six points, and their last six by less than four. It was the same story against the Lady Redskins, Perquimans coming up just short in overtime, 50-47.

Team high-scorer Sheba Ormond had only six points in that game, but Juanita Greene took up the slack, scoring her best this season, 20 points.

Perquimans took a 13-7 lead in the first quarter behind Greene's 10-point effort, but fell behind at halftime, 20-19. That one-point margin stuck through the third quarter, 30-29, but in the fourth the Lady Pirates got a half-step on Manteo and tied the game, 43-43.

Ormond, who fouled out late in the game, had 11 rebounds, Jackie White scored eight points, Babe Towe six, and Juandice Tolson seven. The difference in the game was the Lady Pirates' 4-of-12 shooting at the foul line, many of those one-and-one situations.

All but one of the jayvees scored in their 78-46 rout of Manteo. Coach Pete Hunter played his subs during the second quarter, Perquimans leading 23-6 at the end of one. The lead was cut to 33-25 in the second quarter, and the starters came back in the third to open the game up again, 59-40.

Norman Mallory and Dennis Hunter each scored eight points in the first quarter, Mallory finishing with 12 and Hunter with 16. Rodney Gordon scored 10 points, Jeffrey Modlin and Demetrius Bonner eight, Jimmy Skinner seven, Washington Lyons six, David Parker four, and Phillip Winslow two.

Easy layup

Juandice Tolson goes up for a layup against Manteo last week during the Lady Pirates' 50-47 loss to the Lady Redskins. Tolson scored seven points in the game.

Ice pack relieves arthritis
Arthritis has always been a mystery. Many have sought relief from copper bracelets. Others, from special diets. But like cancer, or appendicitis, some remedies seem to work, but its cause, control, and cure remain a mystery.
An item concerning arthritis recently crossed my attention. Relief to arthritic knees has been obtained, according to it, by wrapping an ice pack around the knee three times daily for about 20 minutes. The cold acts to block pain and triggers release of the body's natural opiates. This reverses the old concept where heat was applied!
