**Brent Ragon saved a life with Red Cross CPR. Could you?**

Fifteen-year-old Brent Ragon had no idea how soon he'd be using CPR to save someone's life when he completed his Red Cross training at a Youth Safety Seminar. But, while Brent was riding the train home from that seminar, a man collapsed two rows behind him. "He wasn't breathing, and I couldn't find a pulse," Brent recalls. "I wasn't scared. I didn't have time to be scared. I knew what to do and I did it."  
 If you were in Brent's place, would you know what to do?  
 We'll teach you. Join us.
