Bill Talbert knows how to help during a disaster.
Do you?

Bill is an auto mechanic. He's also a Red Cross Disaster service volunteer. Last year, Red Cross volunteers, like Bill, responded to over 40,000 disaster situations requiring on-the-scene assistance. More than 136,000 families were helped. "Fortunately, floods, hurricanes and tornadoes don't happen every day, but fires do," warns Bill. "And for a burned-out family that's a major disaster. We can help these people obtain the things they'll need to resume normal living." Red Cross emergency disaster relief provides everything from food, clothing and a place to stay to first aid, counseling and communications. If your neighbors were burned out of their home, wouldn't you want to help? We'll show you how. Join us.
