

Perquimans Library plans open house

The Perquimans County Library will have an open house and reception, Sunday, May 15, from 1 to 5 p.m. A wide variety of crafts made by Perquimans County residents will be on display; woodwork, pottery, toys and dolls, brooms, and handwork of all kind.

There will also be a program at 2 p.m. by Dr. Neil Conoley, an award-winning decoy carver and serious decoy collector who will display and discuss a collection of antique decoys used by hunters and market gunners of years-gone-by.

Dr. Conoley is the author of a recently published book: **WATERFOUL HERITAGE: NORTH CAROLINA'S DECOYS AND GUNNING LORE.** With his coastal brogue and country store humor, his discussion will cover the northeastern and central regions of the state and tell of the fascinating story of waterfowl hunting. Collectors, waterfowl enthusiasts, hunters, and historians will find the Sunday afternoon program very valuable and enjoyable.

Union downs Knapp

Perquimans Union's baseball team continued its winning ways last Wednesday, downing a stubborn Knapp team, 7-6, on the local field.

Brad Hurdle, who relieved Tim White with one away in the seventh, was credited with his second win of the young season. He also won with his bat, as he knocked in Rodney Lyons, who had doubled, with the winning run of the seventh inning.

Hurdle, Todd Hunter, and Kent Gillispie all had two hits to lead the Union team, which is now 3-0 on the season.

Knapp's record falls to 1-4. Both games next week are home, Monday against Gates and Wednesday versus Ahoskie. Game time is 4 p.m. at the Union Baseball field.

Weather dampens fishing prospects in Perquimans

This weather just won't leave us alone. Rain and wind have put a damper on the fishing but it still could be worse.

The most successful people have been the brim fishermen. In spite of the wind and high water, they have been taking great numbers of fish.

Speaking of "Brim", someone brought to my attention that surely I knew that "Brim" was misspelled and should be spelled b-r-e-a-m. Someone

once said, "Spell 'em like you speak 'em!" Sounds good to me.

The white perch are still cooperating, not in great numbers, but they are good size. There are also some nice bass and catfish being taken.

Down at the beach, the bluefish are still hitting the beach with some regularity and most of them are really nice, eight to twelve pound

class. There have been some reliable reports made that bring the good news that several drum have been taken in the area of Ocracoke and just south of the point at Hatteras.

All you duck hunters have several events to look forward to. The largest is the national convention of Ducks Unlimited. This will be held in Williamsburg during the first week in May.

June 3-5 will bring us the North Carolina Chapter of Ducks Unlimited State Convention. This will be held in Atlantic Beach, N.C. More information is available by writing D.U., Route 1, Box 20Z, Clinton, N.C. 28328.

Of course, everyone knows that we save the best for last, this being the second annual sponsors banquet held by the Perquimans County Chapter of Ducks Unlimited. This year the banquet will be held on May 27 at Anglers Cove Restaurant. There will

be a drawing for a gun and the usual fine meal and auction. For further information, call me or any of the committee members.
