Nurses week proclaimed

Governor Hunt has proclaimed this week, May 1-7 as Nurses Week. In a prepared release, he listed their commitment to the promotion of health, the prevention of disease, and the delivery of quality nursing care, as well as their scope and depth of patient care responsibilities assumed by them, in the reasons for the proclamation.

He further commended the observance to our citizens.

Older Americans month set in May

The month of May has traditionally been proclaimed National Older Americans Month and communities across the country are giving special recognition to older citizens and their contributions to society.

Also, in conjunction with Older Americans Month, the second week in May (May 8-14) has been declared

Senior Center Week in North Carolina by Governor Hunt.

North Carolina has developed a network of 67 senior centers that act as focal points for communities to better serve the special needs of older adults through recreation, cultural, social, health and educational activities.

Senior Centers strengthen the dignity, self-worth and independence of older adults by reviving their experience, skills and knowledge.

Perquimans County is very fortunate to have one of the 67 centers across the state. The Perquimans County Senior Center is located a 300 Grubb Street in Hertford. The center

is open Monday-Friday, 8:30 a.m. — 5 p.m. If you would like more information regarding the programming or services sponsored by the Center, please contact Patti White, Senior Center Director, at 426-5404.

Let's join in with Governor Hunt in honoring older North Carolinians and supporting the state's senior centers.

Vernon James greets Democrats

"I do enjoy my job and I think I'm good at it," said Representative Vernon James to a group of 60 Perquimans Democrats.

"I appreciate you electing me to office," and he added, "If I'm going to be a good representative, I need to hear from you."

James has farmland in Perquimans and says he considers this home. He managed the family farm for 30 years.

"It always makes me feel good to get the support of the people at home," he said.

James was first elected to the North Carolina House of Representatives 14 years ago. Currently he is chairman of the house Agricultural Committee and chairman of the Southern Legislative Conference.

He told the group that since his

committee chairmanship, he has never lost a bill which came through the committee with a good report.

Leading the slate of new Democratic officers elected Saturday is the chairman, Tim Brinn, retired director of the ECU Regional Development Institute, who now resides in Hertford.

The Rev. John London is the new vice chairman, with Fannie Lee serving as first vice chairman. Douglas Layden will be the second vice chairman. Secretary is "Pete" Broughton and Anne Young is treasurer.

Good weather brings good fishing

The good weather that we've had has done wonders for the fishing. Locally, the white perch have been taken in good numbers and have been taken all along the river, even up past the railroad bridge. Bream fishermen have been doing well with some really large catches being made.

There are an awful lot of people from outside the area coming in here and really taking a lot of fish. The Virginia Bass Masters were here this past weekend, and although there were some good fish taken, the wind kept a lot of the people in close,

fishing behind one another. Joe Harvey Ferrell caught several nice bass, one weighing in at five pounds, and some white perch.

This past weekend the herring were really here and the dippers were out in force filling up tubs, buckets or anything else that would hold them.

Down at the beach, the bluefish are still around the beaches and are being very cooperative with most all that can find them. There have been several big drum taken in the thirty to forty pound class and the drum fishing as a whole is really picking

up. There was one drum taken that weighed in a fifty four pounds from down at the point.
