Rotary team will tour Finland

A six-man study team from North Carolina will spend five weeks in Finland next spring as guests of Finnish Rotarians. The team will include a Rotarian advisor and five non-Rotarian business and professional men from Rotary District 771 in northeastern North Carolina.

The delegation will fly to Finland in March 1984 where they will be met by District Governor Teuvo Ilmonen of Kuusankoski, Finland, and other Rotarians.

The 47 Rotary Clubs in District 771, including Hertford, will nominate men from their communities to be team members. Deadline for nominations is Sept. 1.

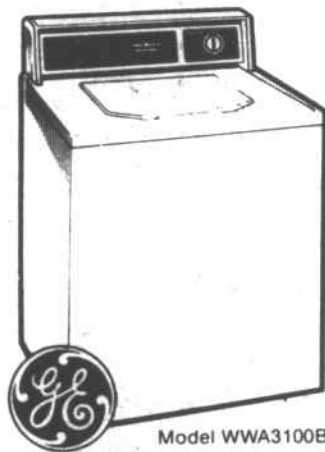

Men interested in becoming team members should contact a member of one of these clubs. Each club may nominate up to three applicants.

This is the seventh time that this area of North Carolina has received a grant from Rotary International to conduct a "group study exchange" with a Rotary district on another continent.

Previous exchanges have been with Rotary districts in England, New Zealand, South Korea, Tasmania, Australia, and India-Nepal-Bangladesh.

The visit is sponsored jointly by District 771 and the Rotary Foundation of Rotary International as part of Rotary's work for world peace and understanding.

Preliminary plans for the tour of Finland include visits to Helsinki, manufacturing facilities, schools, universities, a nuclear power plant, and a two-day visit to Leningrad, Russia.
