**GET CONCERNED...
YOU'LL BE
IN GOOD COMPANY!**

"Drinking drivers are everybody's business. Local, county, and state police need the help of every citizen if we are to get the drinking driver off our roads."

Gov. James B. Hunt, Jr.

"The drinking driver has been and continues to be the greatest killer on our roads. The public can no longer take a passive view of this growing problem."

Col. Edwin Gray, Coordinator of the Governor's Highway Safety Program, and former Commander of the State Highway Patrol.

Youth Drinking: A Growing problem

Drinking among our youth is increasing at an alarming rate. Three out of five teenagers drink once a month . . . about 3 out of 10 who are in the 10th-12th grades could be problem drinkers. Automobile accidents are a leading cause of death among those 16 to 19 years old. Arrest figures for 1982 in NC for driving under the influence hint at the extent of the problem among the young:

18 and below	4,695
19-25	35,297
26-35	27,853
36-45	14,131
46-55	8,066
56-65	3,845
Over 65	1,049
No age specified	556
