Democrats to stage gala ball

The Albemarle area Democrats have scheduled their annual Democratic Ball for the evening of March 9.

The gala fund-raising event will again be held in the Robert L. Vaughan Center at Elizabeth City State University. Proceeds from the Ball will be divided between local counties and the State Democratic Headquarters. Music for the dance

will be furnished by Dave Adam's orchestra featuring Miss Nancy Wert, vocalist.

Tickets are now on sale with couples priced at \$35 and singles at \$20. County chairpersons handling ticket sales include Mrs. Fannie Leary, Camden; Lueta C. Sellers, Chowan; Baxter Williams, Currituck; G. Irvin Aldridge, Dare; Reverend Howard Mitchell, Gates; Janet S. Russ, Hyde; Billy Owens,

Pasquotank; Capt. R. Timothy Brinn, Perquimans; Nathan T. Everett, Tyrrell; and Douglas Davenport, Washington.

Democrats from all levels of the Party have been invited as well as the candidates for office. Last year's event saw Congressman Walter Jones, Governor James Hunt, State Senator Melvin Daniels and State Representative Charles Evans in attendance; as well as many local

county and city officials.

According to Billy Owens, Pasquotank County Chairman, this year's event will be even bigger if replies to the invitations already received are any measure.

For further information, contact any of the county chairpersons. The Ball will be limited to five hundred persons due to the restrictions of space.

Know Your Medicine

Facts From The American Society Of Hospital Pharmacists

If you're like many Americans, you'd like to know more about the medications you take and what you could do to help your doctor provide the most beneficial drug therapy. Now, thanks to a new consumers' guide of information about drugs, you can become a more responsible participant in your own health care.

The *Consumer Drug Digest* is not intended as a do-it-yourself handbook or as a substitute for a doctor's or a pharmacist's recommendations. It is not intended to help a patient "second guess" his doctor. It's a quick reference handbook for the patient who wants to supplement the information provided by health practitioners.

The text of the book was drawn from the American Society of Hospital Pharmacists (ASHP) American Hospital Formulary Service, a guide to prescription drugs used by every major hospital in the United States. Portions have been specifically rewritten for the lay reader.

Consumer Drug Digest includes descriptions on more than 200 of the most frequently-prescribed prescription drugs. Over 1,000 brand names are covered. The book is organized by

disease states or medical problems, such as drugs used to treat heart attacks, high blood pressure, colds, asthma, tension and anxiety — over 20 sections describing over 40 "classes" of drugs and over 200 individual drugs. Some medical or technical terms are used, but a glossary and pronunciation guide is included to aid the reader. There are also two indexes—one alphabetical by generic and U.S. brand names and one alphabetical by generic and Canadian brand names.

For brochures on *Consumer Drug Digest* and for ordering information, write: ASHP, Dept. CDD, 4630 Montgomery Avenue, Bethesda, MD 20814.
