White named volunteer of month

Earline C. White of Hertford has been named the Volunteer of the Month by the Area Agency on Aging for her help with the home delivered meals program for the homebound elderly in Hertford.

White began her volunteer work with the program in September.

"The best that I can do is carry nourishment and pleasure to those who are less fortunate that cannot get out," White said. "I have a feeling of accomplishment in helping those in need."

The Area Agency on Aging is continually seeking new volunteers to help twice a month. Interested persons should call the volunteer coordinator, Dianne White at 426-7556 or 426-8552.

Correction

In last week's edition of THE PERQUIMANS WEEKLY was a copy of the new Perquimans County Service Directory. We incorrectly identified a business listed in the directory. The correct name should have read "Electronic, Computer, Data Systems." We regret the error.

Your Backyard Swimming Pool

Swimming pool safety is no accident. If you have a pool, here are a few simple precautions that may help you avoid a tragedy.

To protect wandering toddlers, make sure that your pool is fenced in and that there is a lock on the gate.

Heart Answers

WHAT ARE HEART MURMURS?

Heart murmurs are extra heart sounds produced by the circulation of the blood through the valves and chambers of the heart. There are different kinds of murmurs. A doctor can recognize them and determine whether a murmur is harmless or indicates a heart condition requiring medical care. Innocent, or functional, murmurs are common in children. A large percentage are likely to have had one at some time. Contact your local American Heart Association for more information.
